Re. Institution of Mechanical Engineers Student Chapter, Institute of Aeronautical Engineering

Dear Assistant Professor M V Aditya Nag Mannepalli

Thank you for your email requesting the formal recognition of a student chapter of the Institution of Mechanical Engineers based at the Institute of Aeronautical Engineering.

I would like to express my congratulations for and appreciation of the hard work and vision which has resulted in this latest student chapter.

The international network is the foundation of the Institution's growing success worldwide, and I am very pleased to see this embodied by students at Institute of Aeronautical Engineering in organising this new initiative.

With this, I would like to formally confirm that the Student Chapter at **Institute of Aeronautical Engineering** has been approved by the Institution of Mechanical Engineers and hereafter you will be supported by Mr. Paul Arora – Branch Chairman and Mr. Anshul Singla - Region Young Member Rep.

As part of the management of the Student Chapter we would ask that you please report back to your Region Young Member Representative on a Quarterly basis. To assist you with this, I have enclosed a Quarterly Reporting form to be completed. Please let me know if you would prefer to receive an electronic version of this form and I would be pleased to send this to you.

I look forward to hearing of the future success of Institute of Aeronautical Engineering and working with the SAR Region Representatives to support you in this regard.

Yours sincerely,

Iman Kouchouk
International Development
Institution of Mechanical Engineers
