## 1. GENESIS

Institute of Aeronautical Engineering (**IARE**), Hyderabad was established in 2000, by a devoted group of eminent professionals and industrialists, having a long and outstanding experience in educational system with a mission 'Education for Liberation'. It is the first institute to start the B.Tech program in Aeronautical Engineering in the state of Telangana and has gradually transformed itself into a truly premier integrated interdisciplinary technological institute.

The campus, spread across a sprawling area of 19 acres with a built-up area of 3,10,000 sq. ft., hosts the best infrastructure, thus making the life both an educative and enjoyable one for the student. The institute provides a holistic education in an ambiance that makes no compromises on discipline, dedication and commitment.

IARE enjoys geographical advantage as it is well connected by air, rail and road. The institute is situated in a lush green and pollution-free environment adjacent to Nehru outer ring road (ORR) of Medak – Narsapur Junction exit-5, making it accessible to several important centers in and around the city. The Institute is 20 kms away from Secunderabad railway station, 11 kms from JNT University, Kukatpally, Hyderabad and is just a 40 minute drive from the Rajiv Gandhi International Airport at Shamshabad.

## 2. CREDENTIALS & AMENITIES

- Fully Flexible Choice Based Credit System (CBCS)
- Provision for Full Semester Internship (project work) in industry
- Choice to add / drop courses to match the pace of fast and slow learners
- Guest lectures by industry experts and top rated academicians
- Funding for Innovative student projects
- 18 centers of excellence
- Extensive placement training from second year B.Tech onwards

#### 5. ADMISSIONS

Admissions to the Institute are made along with the other engineering colleges in the state through a common entrance test conducted by the Govt. of Telangana.

##### The Eligibility Criteria for Admission to B.Tech Courses:

- The minimum qualification for admission to first year of the B.Tech course is a pass in the Intermediate (10 + 2) conducted by the Board of Intermediate Education, Govt. of Telangana or any other examination recognized as equivalent thereto with Mathematics, Physics and Chemistry as optional subjects.
- 70 % of the seats are allotted based on the merit in the Engineering and Medical Common Entrance Test (EAMCET) conducted by Govt. of Telangana.
- 30 % of the seats are earmarked for Management / NRI candidates.
- In addition to the above, Diploma holders are admitted in second year of B.Tech to the extent of 20% of intake based on the merit in the Engineering Common Entrance Test (ECET), under lateral entry scheme conducted by Govt. of Telangana.

##### The Eligibility Criteria for Admission to M.Tech Courses:

- **M.Tech – Aerospace Engineering:** B.E / B.Tech in Aeronautical Engineering / Mechanical Engineering with valid GATE score / based on the rank obtained in the test conducted by JNTU.
- **M.Tech – Computer Science & Engineering:** B.E / B.Tech in Computer Science and Engineering with valid GATE score / based on the rank obtained in the test conducted by JNTU.

- **M.Tech - Embedded Systems:** B.E / B.Tech in Electronics and Communications Engineering / Electrical and Electronics Engineering / Computer Science and Engineering / Information Technology / Electronics and Instrumentation Engineering with valid GATE score / based on the rank obtained in the test conducted by JNTU.
- **M.Tech – Power Electronics and Electric Drives:** B.E / B.Tech in Electrical and Electronics Engineering with valid GATE score / based on the rank obtained in the test conducted by JNTU.
- **M.Tech – Computer Aided Design / Computer Aided Manufacturing (CAD/CAM):** B.E / B.Tech in Mechanical Engineering with valid GATE score / based on the rank obtained in the test conducted by JNTU.
- **M.Tech - Structural Engineering:** B.E / B.Tech in Civil Engineering / Construction Engineering with valid GATE score / based on the rank obtained in the test conducted by JNTU.

#### **The Eligibility Criteria for Admission to MBA Course:**

The minimum qualification for admission to first year of the MBA is a pass in undergraduate course (10 + 2 + 3).

- 70% of the seats are allotted based on the merit in the Integrated Common Entrance Test (ICET) conducted by Govt. of Telangana.
- 30% of the seats are earmarked for Management / NRI candidates.

## **6 INSTITUTE TIMINGS**

### **COLLEGE STARTS AT 9:30 A.M. AND ENDS AT 4:00 P.M.**

Each day is bifurcated into seven interactive sessions of 50 minute duration each. Practical learning sessions are allotted three consecutive sessions wherein students perform experiments in laboratories.

Lunch break for B.Tech (CSE | IT | ECE | EEE) is from **12:00 Noon to 12:40 PM.**

Lunch break for B.Tech (AERO | ME | CE | FRESHMAN ENGG), M.Tech and MBA is from **12:50 PM to 01:30 PM.**

## **7. REGISTRATION**

Each student has to compulsorily register for course work at the beginning of each semester as per the schedule mentioned in the Academic Calendar. It is compulsory for the student to register for courses in time.

## **8. PAYMENT OF INSTITUTE TUITION FEE**

Last date for payment of institute annual tuition fee is from 1 June to 12 June for each year of study. The last date for payment of tuition fee with fine of Rs. 100/- per day is up to a day before the date of course registration as specified in the Academic Calendar.

## **9. INFRASTRUCTURE**

All the required drawing halls, colossal corridors, spacious class rooms, laboratories, library, computer centre, seminar halls, E-class rooms and faculty rooms are housed in a total building space of 3,10,000 sq. ft. The Institute has an air conditioned auditorium with 860 seating capacity and air conditioned E-class rooms with 120 seating capacity along with LED projectors. All the class rooms are equipped with LED projectors to ensure an effective teaching learning process.

The Institute is architecturally well designed and functionally has spacious classrooms. The laboratories and workshops are fully equipped. Besides, 120 KVA uninterruptible power supply system with 480 KVA diesel green generator sets are exclusively catering to the needs of the computer centre.

## 10. COMPUTER CENTRE

At IARE, 42 air-conditioned computer laboratories across the campus house over 1500 computers for use by students and staff. High-end, sophisticated computing facilities are available to meet academic and project requirements, and to encourage research activities. Further, the computers providing an excellent computational environment comprise multiple operating systems-Microsoft Windows, Linux and UNIX, and can be accessed from any of the nodes attached to the servers across the campus through UTP and fiber optic backbone.

120 KVA uninterruptible power supply system with 480 KVA diesel green generator sets are exclusively catering to the needs of the computer center. Broadband 100 Mbps internet facility is available through Airtel wireless connectivity.

The Department of Information Technology maintains an institutional membership in the MSDNAA. What this means for our students is that they have access (free of charge) to all the latest Microsoft development tools. They may check out the original CDs for the package they desire (24 hour checkout only), and they will be given a label with its activation code.

Hardware Facility at Computer Centre: Windows Server: Hewlet Packard ML 350 G5 Server, Dual Quad Core XEON E5410 Processor @ 2.33 GHz Linux Server: Hewlet Packard ML 350 G5 Server, Dual Quad Core XEON E5410 Processor @ 2.33 GHz Office Automation Server: HP Proliant ML 110 G4 Server, Xeon Dual Core Processor @ 1.8 GHz Online Exam Servers: Two numbers of Wipro NetPower Intel Xeon Dual Processor @ 2.8 GHz ECAD Server: Wipro NetPower Intel Xeon Processor @ 2.8 GHz Internet Server: Wipro NetPower Intel Xeon Processor @ 2.8 GHz HP Colour Laser Printers TVSE Dot Matrix Printers HP Scanners Sony DLP Projectors.

### ▪ **Software Facility at the Computer Centre:**

Microsoft Academic Alliance Software (MSDN), Red Hat Enterprise Linux, WINDOWS Advanced Server, IBM Rational Rose UML 60 user Software, IBM Rational Tester, Oracle 10 G 500 user Database Software, Macromedia Flash, Visual Studio, C, C++, Cobal, Java Language Compilers, MS OFFICE MS Office, MS Office Visio Professional 2003, .NET Professional, Professional CADENS, VLSI Tools, Norton Semantic Endpoint Protection Anti Virus, ANSYS Academic Teaching Introductory V12.x (Ansys Multi physics, Fluent Full capability solver, Ansys CFX full capability solver, AnsysAutodyn, Ansys Workbench, Ansys Meshing tools (including ICENCFD, MCAD Geometry Interface) PRO/ENGINEER University Lab Bundle, MATLAB 100 Users (Control Systems Toolbox, Signal Processing Toolbox, DSP Systems Toolbox, Communication Systems Toolbox, SIMULINK, Simpower Systems, Neural Networks, Image Processing, Wavelet etc.).

### ▪ **Power Backup at Computer Center:**

**Uninterruptible Power System (UPS):** 120 KVA with 60 mts backup 480 KVA Diesel Green Generator Set.

**Internet Facility:** Internet lab is operational with 120 desktop computers. This facility is central facility and is available for students and staff members of the college. Internet facility is available through broadband 30 Mbps AirTel wireless Connectivity and BSNL. This provides single hop access to internet gateway AirTel hub. Campus LAN is extended to all departments, including administrative building using 2 Km long fiber optic back bone.

**Documentation Facility:** The Computer Centre also houses the Printers, Scanners etc for the purposes of documentation, printing, scanning and backup.

## 11. LIBRARY: A hub of knowledge

The duplex modern library is fully computerized with bar-coding and Wi-Fi facility. Completely automated library management system makes it possible to borrow books at any time. In addition to these resources,

faculty members dynamically upload all their lectures, question banks, lab manuals and research notes on the institute Intellect CMS login. These are available to the students with the simple keying in of a password. The library large enough to accommodate more than 36740 volumes of books, the news papers, back volumes of the periodicals, reference books, current periodicals, more than 7638 online journals of **IEEE (163)**, **ASME (29)**, **ASCE (36)**, **ELSEVIER (275)**, **Springer (149)**, **J-Gate (6349)**, **McGraw-Hill (637)** and 1526 Indian journals and magazines in print.

Modern digital library also supports the learning system with 140 computers to access E-journals, E-books, E-learning, multimedia center and photocopying for the convenience of the users. **ASTM Digital Library**, **N-LIST E resources** (through INFLIBNET), **1200 NPTEL** (National Program on Technology Enhanced Learning) video lectures, **MIT** open courseware and membership of **DELNET** (Inter library loan) are accessible for resource sharing.

### **WORKING HOURS**

All working days: **9:30 AM to 6:00 PM**

The issue counters function between **9:30 AM and 06:00 PM** on all working days.

## **12. PLACEMENT AND TRAINING**

IARE has been consistently improving its placement record with more than 75% students being placed in various reputed organizations. The Placement and Training (PAT) Centre plays a pivotal role in building the career of aspiring engineers enabling them to hone their skills in order to reach their desired goals. Our industry-institute interactions have been instrumental in getting some of the renowned MNCs to the institute and conduct on campus recruitments.

IARE maintains good relations with corporate houses and other prestigious institutions being a perfect host for educationists and entrepreneurs. Our placement team works round the year to ensure successful and respectable placements with esteemed organizations.

PAT centre believes in combining the three facets that together spell success - Ability, Motivation and Attitude. The PAT cell is functioning actively with a full time Placement and Training Officer, Assistant Placement & Training Officer and three supporting staff. It liaisons with industries of repute and arranges campus interviews for the students of pre final / final year. Through this cell, the students are informed of various job opportunities and are guided to prepare for interviews.

To strengthen one's forte in today's ever challenging technical world, engineers require exemplary technical expertise combined with effective inter personal skills.

Increasingly recognized by recruiters for its abundant talent pool and excellent facilities, IARE's placement process aims to match the requirements of recruiters and the aspirations of the students.

$$\text{Our formula for student's employability is}$$
$$\text{Quality Education} + \text{Employability Skill} = \text{Student Employability}$$

### **The objectives of PAT Centre are:**

- To place final year students in respectable organizations through campus recruitment.
- To provide industrial training to students during their course of study.
- To organize lectures, seminars, group discussions, mock interviews etc. for career guidance, entrepreneurship and personality development.
- To provide information and assistance to students regarding opportunities for self-employment and job opportunities in India and abroad.
- To provide opportunities for higher studies in India and abroad.

### Responsibilities of PAT Officer:

- To facilitate, co-ordinate and administer training programs for UG and PG students.
- To prepare annual calendar for training, up gradation of skills for UG and PG students.
- Enhancing placement segment by arranging FDPs, Seminars, workshops and Internship programmes.
- Creating a stand-alone facility for placements, specialized in making MOU with industries.
- Creating SOP and policies for placement and training.
- Networking with major employees in companies and relationship building.
- Creating database for companies and students.
- Coordinate with other engineering colleges and educational institutions for resource sharing in the field of training.
- Assist, guide and support HR Practices and participate in CII, NHRD and HMA Conferences / Seminars to promote HR Practices.
- To be a wonderful counselor and coordinator.

The department provides facilities for the visiting companies to conduct pre-placements talks, written tests, group discussions and interviews. LED projectors for pre-placement talks and internet facilities for online tests will be arranged on prior intimation.

### **GUIDELINES TO STUDENTS FROM THE PAT CENTRE**

- Students should strive to excel in academics to avail placement opportunities by all companies (60% aggregate is mandatory and 70% is desirable).
- Students have to make continuous efforts to improve their aptitude, English language and soft skills to enhance the chances of their selection in campus recruitments.
- All final year & pre-final year students have to submit promptly any records of improvements in their marks through revaluation to the Training & Placement officer.
- When the students are in the campus, information regarding Training & Placement is displayed on the Training & Placement notice board. Students should look at this notice board for such information.
- When the students are NOT in the campus, i.e., during vacation etc., all correspondence from the Training & Placement officer will be made through e-mail / SMS or may be displayed on the institute website **www.iare.ac.in**.
- All final year & pre-final year students must maintain a valid e-mail id. Students must submit their e-mail id and mobile numbers to the Placement and Training Officer, any change in the e-mail id or mobile number has to be promptly submitted to the Placement and Training Officer.
- When attending campus recruitments, students must be neatly dressed and well groomed. Boys must come in shoes with shirt tucked-in and should preferably wear a tie. They shall invariably avoid wearing T-shirts.
- When attending campus recruitments, students must carry the following without fail:
  - Institute Identity card
  - Sufficient number of passport size photographs
  - Copies of all certificates and marks lists
  - Well formatted curriculum vitae
  - Hall ticket, if issued to them

### **INTENSIVE TRAINING AND PLACEMENT PROGRAMME**

The institute, based on past experience and feedback from employers and alumni, is making every attempt in the best interest of the students to train them well and enhance their employability so that they succeed in the campus placements.

The students receive continuous training from IV semester B.Tech onwards to VII semester B.Tech in communication skills, soft skills, quantitative aptitude, logical and analytical reasoning, personality development skills, technical skills and tips to face campus recruitment.

- Students who are confident of meeting the minimum requirements of the companies regarding the consistent academic record from X to (VI B.Tech) are strongly advised to get enrolled into the programme. Others can also get enrolled, if they so desire.
- Training fee as stipulated by the PAT officer has to be paid by the student who wants to get enrolled for this training programme.
- Students who have not registered their names in this program will not be allowed to take part in any off / on campus recruitment drives arranged by the institute.
- Every registered student is required to attend training classes organized in the institute by internal / external faculty members. Such classes / tests may be conducted beyond the institute hours on working days and also on holidays. Therefore, the candidates must be willing to strengthen themselves to get the desired benefits.
- The students will not be eligible to participate in the campus placement, unless they satisfy the minimum requirements of the companies and maintain at least 75% attendance in this training programme.
- This is not a job guarantee program. The institute is not responsible for selection/rejection of any student(s) by any company(ies).

----- **Training Programs** -----

II B.Tech I Semester	Fount Foundation and Soft Skills
II B.Tech II Semester	Athenic Software and Oracle Academy Java SE 6 Certification
III B.Tech I Semester	Aptitude Adaptation and Oracle Academy Database Expert
III B.Tech II Semester	Enrich English and Microsoft.NET Certification
IV B.Tech I and Semester	Inclusive Interaction and Tech Target

**PRAGNYA TESTS: A UNIQUE TOOL TO TEST YOUR CALIBER**

Pragnya Tests is a unique knowledge assessment tool with an immediate rating meter that helps you present yourself well in the job market. This tool believes in the concept of "Practice makes a man perfect". It is a very useful parameter to test your caliber and exhibit your skills. Currently, it has 72 skill set tests and allows you to take an overall test on the skill set of your choice. Pragnya Test score will be reflected in your web page of Intellect CMS Login, thus helping you get through good job openings.

**PROFICIENCY TESTS: THE WEEK END INTERNET BASED TAKE FROM HOME APTITUDE**

Proficiency Tests are taken from home online. These are weekend tests conducted on Sundays from 9 AM to 9 PM. Proficiency tests assess the student's knowledge acquired on Aptitude, English, C and Java programming. Students taking 50% of tests with 50% of marks are waved from the payment of PAT training fee.

**13. SEMESTER STRUCTURE**

The Institute shall follow semester pattern. An academic year shall consist of a first semester and a second semester and the summer term follows in sequence. Each semester shall be of 21 week duration and this period includes time for course work, examination preparation, and conduct of examinations. Each semester shall have a minimum of 90 working days. The academic calendar shown in the following Tables are declared at the start of the semester. The first and second semesters shall have the duration to accommodate a minimum of 17 instructional weeks per semester.

#### 14. ACADEMIC CALENDAR STRUCTURE

<b>FIRST SEMESTER (21 weeks)</b>	I Spell Instruction Period	8 weeks	19 weeks
	I CIA Examinations	5 days	
	II Spell Instruction Period	8 weeks	
	II CIA Examinations	5 days	
	Preparation Holidays	1 week	
	Semester End Examinations (SEE)	10 days	
	Practical Examinations	1 week	
<b>Semester Break and Supplementary Exams</b>			2 weeks
<b>SECOND SEMESTER (21 weeks)</b>	I Spell Instruction Period	8 weeks	19 weeks
	I CIA Examinations	5 days	
	II Spell Instruction Period	8 weeks	
	II CIA Examinations	5 days	
	Preparation Holidays	1 week	
	Semester End Examinations (SEE)	10 days	
	Practical Examinations	1 week	
<b>Summer Vacation, Summer Semester and Remedial Exams</b>			8 weeks

#### 15. METHODOLOGY FOR MONITORING AND EVALUATING THE PROGRESS

The conduct and performance of the students are closely monitored in terms of the Attendance, Continuous Assessment Test, Mid Semester Tests and Tutorials. Every month the attendance particulars are presented by every course instructor to the Head of the Department who informs students about the percentage of attendance about shortage, if any, and cautions them to not to miss classes any more. Each student is assigned to a faculty member (called mentor) who continually monitors his / her performance and guides him / her with a view to provide them the overall growth and development. An excellent rapport is maintained with parents who are informed of their wards' progress on a regular basis.

#### 16. ATTENDANCE REQUIREMENTS TO APPEAR FOR THE END - SEMESTER EXAMINATION

- 16.1 It is desirable for a candidate to maintain 100% attendance in each course. In every course (theory/laboratory), student has to maintain a minimum of 75% attendance including the days of attendance in sports, games, NCC and NSS activities to be eligible for appearing in Semester End Examination of the course.
- 16.2 For cases of medical issues, deficiency of attendance in each course to the extent of 10% may be condoned by the College Academic Committee (CAC) on the recommendation of head of the department if the attendance is between 75% to 65% in every course, subjected to the submission of medical certificates, medical case file and other needful documents to the concerned departments.
- 16.3 The basis for the calculation of the attendance shall be the period prescribed by the institute by its calendar of events. For late admission, attendance is reckoned from the date of admission to the program. However, in case of a student having less than 65% attendance in any course, s/he shall be detained in the course and in no case such process will be relaxed.
- 16.4 A candidate shall put in a minimum required attendance for at least three (3) theory courses to get promoted to next higher class / semester. Otherwise, s/he shall be declared detained and will have to repeat the semester.
- 16.5 Students whose shortage of attendance is not condoned in any subject are not eligible to write their semester end examination of those courses and their registration shall stand cancelled.

- 16.6 A prescribed fee shall be payable towards condonation of shortage of attendance.
- 16.7 A student shall not be promoted to the next semester unless he satisfies the attendance requirement of the present semester, as applicable. They may seek readmission into that semester when offered next. If any candidate does not fulfill the attendance requirement in the present semester, he shall not be eligible for readmission into the same class.
- 16.8 Any student against whom any disciplinary action by the institute is pending shall not be permitted to attend any SEE in that semester.

## **17. DRESS CODE**

### **Workshop / Engineering Physics and Engineering Chemistry Laboratories:**

## **30. GENERAL INSTRUCTIONS TO THE FACULTY MEMBERS REGARDING EXAMINATION DUTIES**

- 29.1. Faculty members drafted for invigilation duty shall report at the exam section at least 30 minutes before the commencement of the exam and should mark their attendance in the biometric systems of examination control office in the forenoon as well as afternoon. In case faculty members are going on leave, they shall make alternative arrangement with the approval of their HOD and the same shall be informed to the exam branch section well in advance.

- 29.2. As soon as they report at the exam section, they shall synchronize their watches to the time indicated by clock of the exam section, or note the time difference between the two, and shall follow their watches for implementing the time schedule in the exam hall regarding the issuing of question papers, collection of answer scripts, allowing the candidates to enter or leave the exam hall, announcing the remaining duration of the exam, etc. This is particularly important to maintain uniform and consistent time pattern in all the exam halls whenever there is power failure and the siren is not working, or even when power is there but the office assistant has erred in giving time bells.
- 29.3. Before proceeding to the exam hall, invigilators shall verify the material handed over to them such as main answer books, question papers in case of midterm examinations, seating arrangement sheet etc., and bring to the notice of the exam branch the discrepancies, if any, immediately. Single answer book containing 16 pages for midterm exams & 32 pages for end exams shall be supplied to the candidates. No additional answer books shall be supplied.
- 29.4. After receiving the stationery, the invigilators are asked to go to the allotted exam halls only, and are instructed not to go anywhere else.
- 29.5. Students are allowed into halls 15 minutes before the commencement of examinations. No grace period for entering the examination hall during both the midterm and end exams.
- 29.6. Invigilators shall verify the identity of the candidates by checking the hall ticket containing photo and also the institute identity card.
- 29.7. Candidates shall not be allowed to carry note books, text books, cell phones or any other unsolicited material that is likely to be used by them for malpractice. Candidates shall also not be allowed to use any data books/code books/charts etc., of their own. The required material will be supplied by the exam section. If there is any shortage of material, then the exam section will issue necessary instruction to the invigilators in this regard.
- 29.8. Invigilators shall not allow the candidates with cell phones to the exam halls and also shall not keep the cell phones of the candidates with them even for safe custody.
- 29.9. Invigilators are prohibited from carrying mobile phones to the exam halls.
- 29.10. Invigilators shall ensure that
  - a. Candidates have entered their registered (Regd.) numbers and the code numbers of the question papers correctly in the answer books and they are not altered subsequently.
  - b. Any correction in the regd. number in the case of midterm exams is attested by the invigilator.
  - c. Any correction in the regd. number in the case of end exams is to be attested by the Controller of Examinations/Chief Superintendent (CS).
  - d. The student should not write their regd. no./hall ticket no., anywhere except in the space provided for on the main answer book.
- 29.11. The students may be instructed not to write anything other than their regd. no. in their question papers
- 29.12. No candidate shall be allowed to enter the exam hall under any circumstances after the commencement of the midterm/semester end exam.
- 29.13. Invigilator has to obtain signatures of the candidate on the attendance sheet and ensure that in the attendance sheet, the candidate has correctly written the answer book serial number issued to him.
- 29.14. The attendance statement shall be prepared immediately after the expiry of 15 min., after the commencement of midterm/end exam and while filling the attendance statement invigilators shall furnish all the details. Use separate absentee statements for each year, branch and scheme and the details may be obtained from seating arrangement plan.
- 29.15. Invigilators shall handover the attendance statement, the unused main answer books and unused question papers to the person who come to the exam hall to collect them.

- 29.16. During the midterm exams, if a candidate raises any doubt regarding the question paper, the invigilator, shall report the matter to the exam branch through the assistant/water boy and shall advise the candidate to attempt other questions in the mean while. Exam section shall obtain the necessary clarifications from the manuscript of the paper setter available with exam section/paper setter/HOD concerned and request the paper setter/exam in-charge to announce the clarifications in all the halls.
- 29.17. During the end exams, no candidate shall be entertained by the invigilators regarding clarifications on question paper. When they seek any clarification, they shall be instructed to bring the matter to the notice of the faculty/HOD concerned after the examination is over.
- 29.18. When an invigilator suspects malpractice by any candidate, the material in the possession of the candidate and the answer script shall be confiscated, and the matter should be reported to the Controller of Examinations (COE)/exam branch/Principal. The invigilator shall obtain a statement from candidate and submit the same along with his /her own report on the incident to the COE/Principal. If the candidate refuses to give a statement, the candidate is allowed to leave the exam hall only after the permission by the COE/Principal/exam branch.
- 29.19. Candidates are not normally allowed to the rest rooms during the exam. However, in case of urgency, a water boy may be asked to accompany the candidate.
- 29.20. Invigilators themselves shall not leave the exam hall during exam.
- 29.21. To avoid temptation on the part of the candidates for mutual consultations, Invigilators shall not remain at one place and shall make as many rounds in the exam hall as possible.
- 29.22. Invigilators shall not bring newspapers, magazines or text books and cell phone to the exam hall and shall not enter into consultations/conversations with co invigilators during the exam.
- 29.23. Invigilators shall be prompt in supplying graph sheets, codebooks, etc., to the candidates.
- 29.24. After entering the exam hall and receiving the question paper, no candidate shall be allowed to leave the exam hall till the expiry of the allotted time/last half-an-hour of the exam.
- 29.25. Candidates shall be allowed to carry the question paper with them only when they are leaving the exam hall in the last half-an-hour. If they are leaving earlier (but not before the expiry of half the allotted time) they shall be asked to leave the question paper with the invigilator after writing their Regd. no. on it, and to collect the same at the exam section after the exam is over.
- 29.26. Invigilators shall remind the candidates about the remaining time of the exam at every half-an-hour.
- 29.27. Candidates shall be asked to keep their main answer book and graph/drawing sheets in proper order and to tie up the sheets 5 minutes before the end of the exam.
- 29.28. Invigilators shall affix their signatures in the space provided only on the first page of the main answer book/books (in case two main answer books are used separately for Part-A and Part-B) in both midterm and End exams, certifying the correct entry of,
  - i. Registered number
  - ii. Question paper code number (in case of end exam only)
  - iii. Part of the Paper (i.e. Part-A or Part-B)
- 29.29. Invigilator shall collect the answer scripts from all the candidates present in the hall immediately after the final bell is rung and shall arrange them in proper order that tallies with the attendance statement prepared by the invigilator.
- 29.30. Invigilators shall bring the bundle of answer scripts, unused graph sheets, etc., and the question papers left behind by the candidates leaving the hall early, and hand them over in the exam section within 10 minutes of the end of the exam.
- 29.31. Invigilators shall leave the exam branch only when they are cleared by the exam section.
- 29.32. Faculty members not related with exam work, in any case shall not enter the exam halls.

- 29.33. If data books/graph sheets/drawing sheets are not brought to the exam hall in time, the same may be informed to the Chief Superintendent/Exam branch immediately.
- 29.34. Invigilators are not to utilize the services of the water boys for works, other than the work related to the examination, during the exam hours.
- 29.35. If there is any specific complaint against the water boys, invigilators are requested to bring it to the notice of Chief Superintendent/Principal immediately.
- 29.36. Faculty members shall realize that the examination work is a part and parcel of their academic work and they shall attend to it with utmost sincerity.

**38. ROAD MAP TO THE INSTITUTE**

## 39. VISION AND MISSION OF DEPARTMENTS

### DEPARTMENT OF AERONAUTICAL ENGINEERING

#### VISION

To build a strong community of dedicated graduates with expertise in the field of aeronautical science and engineering suitable for industrial needs having a sense of responsibility, ethics and ready to participate in aerospace activities of national and global interest.

#### MISSION

To actively participate in the technological, economic and social development of the nation through academic and professional contributions to aerospace and aviation areas, fostering academic excellence and scholarly learning among the students of aeronautical engineering.

### DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

#### VISION

The vision of the department is to produce competent graduates suitable for industries and organizations at global level including research and development with social responsibility.

#### MISSION

To provide an open environment to foster professional and personal growth with a strong theoretical and practical background with an emphasis on hardware and software development making the graduates industry ready with social ethics.

Further, to provide training and to partner with global entities in education and research.

### DEPARTMENT OF INFORMATION TECHNOLOGY

#### VISION

The department envisions to become a center of excellence in information technology with a strong teaching and research environment that produces competent graduates and to inculcate traits to make them not only good professionals but also kind, committed and socially oriented human beings.

#### MISSION

To promote a teaching and learning process that includes latest advancements in information technology, that provides strong practical base for the graduates to make them excellent human capital for sustainable competitive edge and social relevance by inculcating the philosophy of continuous learning and innovation in the core areas.

## **DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

### **VISION**

To produce professionally competent electronics and communication engineers capable of effectively and efficiently addressing the technical challenges with social responsibility.

### **MISSION**

The mission of the department is to provide an academic environment that will ensure high quality education, training and research by keeping them abreast of latest developments in the field of electronics and communication engineering aimed at promoting employability, leadership qualities with humanity, ethics, research aptitude and team spirit.

## **DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING**

### **VISION**

To produce comprehensively trained, socially responsible, innovative and high quality electrical engineers and researchers who can contribute to the national and global development.

### **MISSION**

The mission of Electrical and Electronics Engineering Department is to provide academic environment with a strong theoretical foundation, practical engineering skills, experience in interpersonal communication and teamwork along with emphasis on ethics, professional conduct and critical thinking. Further, the graduates will be trained to have successful engagement in research and development and entrepreneurship.

## **DEPARTMENT OF MECHANICAL ENGINEERING**

### **VISION**

The Department of Mechanical Engineering envisions value based education, research and development in the areas of manufacturing and computer aided engineering as an advanced center for mechanical engineering, producing graduates of world-class competence to face the challenges of global market with confidence, creating effective interface with various organizations.

### **MISSION**

The mission of the Mechanical Engineering Department is to prepare effective and responsible engineers for global requirements by providing quality education & to improve pedagogical methods employed in delivering the academic programs to the needs of the industry and changing world by conducting basic and applied research and to generate intellectual property.

## **DEPARTMENT OF CIVIL ENGINEERING**

### **VISION**

To produce eminent, competitive and dedicated civil engineers by imparting latest technical skills and ethical values to empower the students to play a key role in the planning and execution of infrastructural & developmental activities of the nation.

### **MISSION**

To provide exceptional education in civil engineering through quality teaching, state-of-the-art facilities and dynamic guidance to produce civil engineering graduates, who are professionally excellent to face complex technical challenges with creativity, leadership, ethics and social consciousness.
