ABOUT THE COLLEGE

Institute of Aeronautical Engineering (IARE), Hyderabad was established in the year 2000 and is run by Maruthi Educational Society founded by a devoted group of eminent professional and industrialists having a long and outstanding experience in educational system with a mission 'Education for Liberation'. It is the first institute to start B.Tech program in Aeronautical Engineering in the state of Telangana and has gradually transformed itself into an integrated multi-disciplinary technological institute.

The institute is ranked 170 in Engineering category as per National Institutional Ranking Framework (NIRF) – 2020, Ministry of Human Resource Development (MHRD), Govt. of India. This illustrates positive performance and quality standards we maintain in Teaching, Research, Employability, and Innovation. It is the most preferred institute with 100% admissions in the state of Telangana.

ABOUT NATIONAL COMMISSION FOR WOMEN

The National Commission for Women (NCW) is the statutory body of the Government of India, generally concerned with advising the government on all policy matters affecting women. It was established in 31 January 1992 under the provisions of the Indian Constitution, as defined in the 1990 National Commission for Women Act.

The objective of the NCW is to represent the rights of women in India and to provide a voice for their issues and concerns.

The commission sponsor grants to institutions / organizations willing to undertake Research / Studies, Seminars / Conferences / workshops, Public Hearings, Legal Awareness Programmes and Parivarik Mahila Lok Adalats.
