The Chairman,
Institute of Aeronautical Engineering,
Dundigal,
Hyderabad – 500043.

Street Cause is the largest student run NGO in Hyderabad, with a workforce of over 2000 volunteers. Established in 2009, we have received numerous awards and recognition for our work with a belief to do our part for the society. Over the years, Street Cause has been an active platform for the youth to voice out their opinions on various social issues.

We, at Street Cause would like to thank the management of IARE for your kind gesture of donating 92 two-seater benches as a positive step in helping the underprivileged students from Zilla Parishad High School.

The event was taken up by nearly 30 eminent students from your prestigious Institution. Your support in helping us create a better, brighter future for the school students shall be remembered forever. We hope that your cordial support remains the same in future as well.

Thanking you for your time, support and contribution.

Regards,

S.Lalitaditya

President – Street Cause Hyderabad.
