MINUTES OF SIXTEENTH MEETING OF THE GOVERNING BODY HELD ON 14 FEBRUARY, 2025

The Sixteenth meeting of the Governing Body was held at 03:00 PM on 14 February, 2025 (Friday) in the Sahana Board Room, Bharadwaja Block.

List of the Governing Body members:

S.No	Members	Portfolio	Designation
1	Sri. M Rajasekhar Reddy	Chairperson	Chairman Institute of Aeronautical Engineering, Hyderabad
2	Dr. Ramji Manoharan	UGC Nominee	Professor, Department of Mechanical and Aerospace Engineering, Indian Institute of Technology Hyderabad
3	Prof. K Venkatachalam	State Govt. Nominee	Former Vice Chairman, Telangana State Council for Higher Education, Hyderabad
4	Dr. G Venkata Narasimha Reddy	University Nominee	Principal & Professor of Civil Engineering, JNTUH College of Engineering, Hyderabad
5	Prof. P B Sharma	Educationist	Vice Chancellor, Amity University, Gurgaon
6	Dr. N V Ramana Rao	Educationist	Director & Professor of Civil Engineering, National Institute of Technology, Raipur
7	Dr. A Damodaram	Educationist	Senior Professor of CSE, Department of Information Technology JNT University Hyderabad, Hyderabad & Former Vice Chancellor, SV University, Tirupati
8	Dr. M. Anji Reddy	Educationist	Former Vice-Chancellor, Andhra Kesari University, Ongole
9	Sri. Ch Sathi Reddy	Management	Secretary and Correspondent, Institute of Aeronautical Engineering, Hyderabad
10	Sri. B Rajeshwar Rao	Management	Treasurer and Executive Director, Institute of Aeronautical Engineering, Hyderabad
11	Smt. M Mamatha Reddy	Management	1 st Vice President, Maruthi Educational Society, Hyderabad
12	Sri. Ch Jayasimha Reddy	Industrialist	CEO, M/s. MTE Industries, Jinnaram, Medak District
13	Dr. Y Pandu Rangaiah	Faculty	Associate Professor of ECE, Institute of Aeronautical Engineering Hyderabad
14	Dr. V V S Haranadh Prasad	Faculty	Professor of Mechanical Engineering, Institute of Aeronautical Engineering, Hyderabad
15	Dr. L V Narasimha Prasad	Ex-Officio	Principal & Professor of Computer Science and Engineering Institute of Aeronautical Engineering, Hyderabad

RESOLUTIONS

Item	Item Description
1. Confirmation of Minutes and Action Taken	
1.1	Confirmation of the minutes of 15th Governing Body meeting
1.2	Follow-up action and action taken report on the minutes of the 15th Governing Body meeting
	<p>1. Steps for improvement of student's success rate in Mechanical, Civil and Aeronautical branches. Action taken: To improve the students success rate in above mentioned branches, introduced remedial classes for all core courses, and also provided additional mentoring and personalized guidance for academically weaker students.</p> <p>2. Prepare new metrics introduced in changed NBA and NAAC formats. Action taken: Workshop on new NBA guidelines and new NAAC formats, conducted to all the faculty members.</p> <p>3. Attract MNC companies offering with high packages. Action taken: Conducted training programs on advanced technical skills, soft skills, and interview preparation, company specific assessments. Students are also encouraged to participate Hackathon, coding competitions conducted by reputed organizations. Introduced company-focused preparation programs to align with recruitment patterns of high-package firms. Engaged with alumni working in reputed MNCs to facilitate connections and recruitment opportunities.</p> <p>4. Enhance more research activities in the institute, members suggested to increase the seed money grant. Action taken: The suggestions made by the Governing Body members to enhance research activities at the institute, it was proposed to increase the seed money grant for faculty and researchers. This initiative aims to promote high-quality research, foster innovation, and improve the institute's overall research output.</p> <p>5. Suggested to apply sustainability ranking by NIRF in the coming year Action taken: As per the suggestions given by the Governing Body members, institute has applied for the NIRF 2025 Sustainability Ranking to promote and showcase the commitment to sustainable practices and academic excellence.</p> <p>Resolution: The Governing Body ratified and approved the action taken report.</p>
2. Items for Consideration and Approval	
2.1	Consideration and approval of Principal ratification
	<p>The renewal of the principal ratification from JNTU Hyderabad during selection committee held on 19 December, 2024, is recommended for a period of one year from 30 January, 2025. Requesting the Governing body to consider and approve the principal ratification.</p> <p>The JNTUH – SCM – Selection of Principal - orders dated 30 January, 2025 is enclosed in <u>Annexure – I</u>.</p> <p>Resolution: The Governing Body, after due consideration, hereby ratifies and approves the appointment of Dr. L V Narasimha Prasad as Principal of Institute of Aeronautical Engineering with effect from 30 January, 2025. The Governing body appreciates the selection process and credentials presented.</p>

2.2	Consideration and Approval for applying NBA Accreditation for Postgraduate Programs																												
	<p>The NBA accreditation status of PG programs (CSE, ES, & MBA) is expiring on 30 June, 2025. In this context the institute would like to apply NBA accreditation for the following PG programs.</p> <ul style="list-style-type: none"> • M.Tech - Computer Science and Engineering • M.Tech - Embedded Systems • M.Tech - Electrical Power Systems • Master of Business Administration <p>Resolution: The Governing Body grants approval to initiate the process of applying NBA accreditation for the aforementioned programs. The institute shall take necessary steps to prepare for the accreditation process in accordance with the guidelines of the National Board of Accreditation.</p>																												
2.3	Consideration and approval of reduction of intake in B.Tech – Computer Science and Engineering and closure of Bachelor of Business Administration (BBA) from the academic year 2025-26.																												
	<p>The Ex-officio is seeking to approve and ratify the reduction of intake in B.Tech - Computer Science and Engineering and also closure of Bachelor of Business Administration from the academic year 2025-26. The AICTE scrutiny has completed and approved reduction of intake in B.Tech - Computer Science and Engineering and closure of BBA from the academic year 2025-26. Hence it is requested to ratify the reduction and closure from the academic year 2025-26. The necessary approvals for reduction and closure are enclosed in Annexure – II.</p> <table border="1" data-bbox="288 994 1366 1167"> <thead> <tr> <th>S.No</th> <th>Program / Course</th> <th>Approved Intake A.Y 2024-25</th> <th>Applied Intake A.Y 2025-26</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>B.Tech - Computer Science and Engineering</td> <td>900</td> <td>480</td> </tr> <tr> <td>2</td> <td>Bachelor of Business Administration</td> <td>60</td> <td>0</td> </tr> </tbody> </table> <p>Resolution: After deliberate discussions, the board noted and ratified the reduction in intake for the academic year 2025-26.</p>	S.No	Program / Course	Approved Intake A.Y 2024-25	Applied Intake A.Y 2025-26	1	B.Tech - Computer Science and Engineering	900	480	2	Bachelor of Business Administration	60	0

2.5	<p>Consideration and approval of High-Impact Practices for student success (HIPs)</p>												
	<p>High-impact practices (HIPs) are designed for students to deepen their learning experience, prepare them for advanced roles in engineering, and enhance their ability to contribute meaningfully to their fields. These practices can significantly boost placement prospects for engineering students by making them more competitive, versatile, and attractive to potential employers. HIPs integrate knowledge, critical thinking, and hands-on complex problem-solving, creating a well-rounded educational foundation. The detailed HIPs form is attached in Annexure – IV.</p> <p>Resolution: The board noted and approved the same.</p>												
2.6	<p>Consideration and approval of governance structure to strengthen R & D cell in line with AICTE</p>												
	<p>The All-India Council for Technical Education (AICTE) emphasizes the need to foster research and innovation in technical institutions through a structured R&D Centre.</p> <p>The Principal proposed the following governance structure to strengthen the R&D Cell in the institute:</p> <ul style="list-style-type: none"> • R&D Advisory Committee: Formed to guide and monitor research activities. • Dean Research and Development (R&D): Responsible for overall coordination of research initiatives. • Research Coordinators (Department-wise): To promote research at the department level. • Administrative Support: Dedicated team for documentation, funding proposals, and collaboration management. <p>The governance structure of R&D centre and circular is enclosed in Annexure – V.</p> <p>Resolution: Resolved that the proposal for strengthening the governance structure of the R&D Centre in line with AICTE guidelines be and is hereby approved.</p>												
2.7	<p>Consideration and approval of faculty members completed AICTE - QIP - PG certification program to teach in CSE and allied branches.</p>												
	<p>The ex-officio member of the governing body presented the list of 38 faculty members of from core engineering department who are successfully completed AICTE - QIP - PG certification program. Principal requested the board to consider and ratify the below mentioned 38 faculty members to teach in CSE and allied branches. The Table 1 shows AICTE – QIP – PG certification completed faculty</p> <p>The certified faculty list is enclosed in Annexure – VI.</p> <p style="text-align: center;">Table 1: Branch wise AICTE – QIP - PG certification program completed faculty</p> <table border="1" data-bbox="280 1583 1358 1730"> <thead> <tr> <th>Branch</th> <th>ECE</th> <th>EEE</th> <th>CIVIL</th> <th>MECH</th> <th>AERO</th> </tr> </thead> <tbody> <tr> <td>Number of faculty completed</td> <td>13</td> <td>06</td> <td>05</td> <td>11</td> <td>03</td> </tr> </tbody> </table> <p>Resolution: The governing body approves the above-mentioned faculty members for teaching in the Computer Science and Engineering (CSE) and its allied branches, subjected to the fulfillment of institutional requirements.</p>	Branch	ECE	EEE	CIVIL	MECH	AERO	Number of faculty completed	13	06	05	11	03

3. Items for Ratification													
3.1	<p>Ratification of the minutes of 21st Academic Council meeting, held on 30 December, 2024.</p>												

	Resolution: The board ratified the 21 st academic council meeting minutes held on 30 December, 2024. The academic council meeting minutes are enclosed in Annexure - VII .																																				
3.2	Ratification of the minutes of finance committee meeting																																				
	Resolution: The board ratified the minutes of finance committee meetings held during the financial year 2023-24. The 33 rd finance committee meeting minutes are enclosed in Annexure - VIII .																																				
4. Items for Information																																					
4.1	Information on NIRF - 2025, Ministry of Education, Government of India																																				
	<p>Participating in NIRF helps enhance the institute's visibility, benchmark performance, and improve institutional standards. Institute has successfully submitted the NIRF 2025. Continuous efforts are underway to enhance performance across key ranking parameters. The institute has applied in all three categories: Engineering, Innovation, and Sustainability, demonstrating its commitment to excellence and holistic development.</p> <p>Resolution: The Governing Body noted and appreciated the institute's participation in NIRF 2025.</p>																																				
4.2	Information on faculty ratification																																				
	<p>The Principal shared the information of 67 faculty members from various disciplines, appeared as Assistant Professors, before the Staff Selection Committee for ratification at JNTU Hyderabad during 17 January 2025 to 04 February 2025. 4.4 Note on competency building visits to USA and Indonesia

The ex-officio shared information about the competency-building visit of two senior faculty members to two universities in the United States of America from 19 to 29 November, 2024. The faculty visited two universities to establish academic collaborations and also shared the information about visit details of, two senior faculty to the 5th International Conference on Energy and Power (ICEP2024) which was hosted in collaboration with the University of Bengkulu, the University of Udayana, Andalas University, and the University of Riau, Indonesia, in association with the Australian Society of Energy and Power (ASEP), from 4-6 December 2024 in Bali, Indonesia. The two senior faculty members attended the conference from 4–6 December, 2024, in Bali, Indonesia.

The complete visit details are attached in [Annexure – IX](#).

Resolution: The board noted and appreciated the faculty members for their efforts.

4.5 Note on Review and Update on Research and Development (R&D) Progress

Research and Development (R&D) is a critical component of the institute's academic ecosystem, fostering innovation, enhancing faculty research capabilities, and contributing to the nation's scientific progress. Institute has implemented various initiatives to strengthen its R&D activities, including increased seed funding, collaboration with industries, universities and promoting faculty and student research.

Academic research publications are essential for the dissemination of knowledge, advancement of science, and the academic reputation of researchers and institutions. They provide a formal avenue for researchers to share their findings, contribute to their field, and engage with the broader scholarly community.

The Principal presented the progress of Research and Development activities to the board till January 2025. The **Research and Development (R&D) Progress** till January, 2025 is illustrated in [Annexure – X](#).

Resolution: The Governing Body reviewed the R&D progress and acknowledged the efforts taken to promote research activities.

4.6 Note on student admissions for Higher Education

The ex-officio presented the list of 124 students pursuing higher education, of which 107 students secured admissions for Master of Science programs at prestigious universities abroad. 17 students are admitted into reputed institutes like, IITs, NITs, and other recognized universities across India.

The detailed list of students pursuing higher education are attached in [Annexure – XI](#).

Resolution: The Governing Body took note of the report on student admissions for higher education and appreciated the efforts taken by the institute.

4.7	Note on Submission of Self-Assessment Report (SAR) for B.Tech – Civil Engineering (CE)
	<p>The Principal shared the information regarding the SAR submission of B.Tech – Civil Engineering for NBA evaluation.
