#### STUDENT HANDBOOK

This Student Handbook is an official publication of Institute of Aeronautical Engineering

This student and book merely presents the updated information of IARE genesis, vision, mission, culture, policies, services and resources available to the students. These policies are applicable to all the students and should be followed accordingly. Code of conduct applies to student on campus.

The policies of Institute of Aeronautical Engineering are under continuous examinations and revision. Any revision of the policies will be posted in the online version of the Student Handbook located at

#### 1. OVERVIEW

#### 1.1 ABOUT INSTITUTE OF AERONAUTICAL ENGINEERING

Institute of Aeronautical Engineering (IARE), Hyderabad was established in the year 2000 and is run by Maruthi Educational Society founded by a devoted group of eminent professional and industrialists having a long and outstanding experience in educational system with a mission 'Education for Liberation'. It is the first institute to start B.Tech program in Aeronautical Engineering in the state of Telangana and has gradually transformed itself into an integrated multi-disciplinary technological institute.

IARE is a prestigious Autonomous engineering college offering eleven B.Tech programs Aeronautical Engineering, Computer Science and Engineering (Artificial Intelligence and Machine Learning), Computer Science and Engineering, Computer Science and Engineering (Data Science), Computer Science and Engineering (Cyber Security), Computer Science and Technology, Electronics Technology, Information and Information Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Civil Engineering and six M.Tech programs in engineering and MBA (Master of Business Administration) with 20 years of rich standing in the educational sphere. The institute is approved by AICTE, New Delhi; recognized by Govt. of Telangana; permanently affiliated to Jawaharlal Nehru Technological University Hyderabad (JNTUH); and accredited by National Assessment and Accreditation Council (NAAC) with 'A' Grade. All the seven B.Tech programs are accredited thrice by National Board of Accreditation (NBA), New Delhi since 2008. The institute also received UGC recognition under Sections 2(f) and 12(B) of the UGC Act.

The institute is ranked 159 in Engineering category as per National Institutional Ranking Framework (NIRF) – 2021, Ministry of Human Resource Development (MHRD), Govt. of India. This illustrates positive performance and quality standards we maintain in Teaching, Research, Employability, and Innovation. Categorized as 'Band B' institution (rank band 26-50) in category of 'Private or Self-Financed College/Institutes' in Atal Ranking of Institutions on Innovation Achievement (ARIIA) – 2020, as per MHRD's Innovation Cell, Ministry of Education, Govt. of India.

Besides the institute has been ranked by different independent national agencies which include Careers 360 (AAAA), India Today (57), The Week (87), Times of India (79), Competition Success Review (17), Outlook (Rank Band:126-170), Data Quest (59), Business World (60).

The total number of students is 4952 and that of faculty is 272, out of which, 82 are Ph.D's (33%) ensuring healthy faculty student ratio. The research activity on campus is woven in pursuance of its vision & mission statements around the philosophy of Inspire, Innovate, and Implement to benefit the contemporary society. It unwinds itself into different fields such as environment, aerospace, PLC, CAD/CAM, CNC machining, tool design, welding, embedded systems, and low power VLSI digital system design. Emphasis is also being laid on manufacturing, automation, business analytics, big data, cloud computing, wireless technology, image processing, and next generation networks.

IARE has fourteen sponsored research projects, and has received grants of worth Rs. 570.59 lakhs for research and other activities by different agencies including DST, AICTE, UGC etc. The institute has a record of intellectual property with 850+ research paper publications by faculty as well as students and 1705+ citations, 35 patents in last 5 years. Internal Revenue

Generation through consultancy facilitates and promotes activities pertaining to energy audit, mobile apps, drones in agriculture, agricultural tools, and material testing.

Big placements greet our students with ample opportunities with around 62 core and software companies every year. To name a few, Capgemini, LTI, TCS, Cognizant, Accenture, Accolite Digital, IBM, Deloitte, Hitachi Vantara, Amazon, Amadeus, Wipro, Virtusa, Mindtree, Mphasis, NTT Data, Infosys, Hexaware, Optum, HCL Technologies, Zensar, TEK Systems, Infor, Valuelabs, Tata Advanced Systems Limited, Cyient, Temenos, Mu Sigma and so on...

To promote incubation centres, start-ups and entrepreneurship, IARE signed an MOU with National Research Development Corporation (NRDC) to cooperate for the development of technologies and their successful transfer to industry for commercial and socio-economic benefits. The students are provided with avenues to showcase their talents and innovative skills. They also participate in various national level engineering competitions like Baja SAEINDIA, Supra SAEINDIA, Go-kart, ADC championships to name a few and have made their mark by winning prizes and ranks. They participate in national and state level project competitions as well as conferences to share their research findings. Students have represented the institute at international level as well.

There are about 76,473 books, 20,665 individual titles, nearly 714 National / International Journals, 2715 back volumes, and e-journals from Elsevier (Science Direct), Springer, ASME, ASCE and IEEE (ASPP). Apart from this, the students have an exclusive access to DELNET for resource sharing. The library is open for 10 hours on weekdays and even on Sundays. Book distribution process has been automated for quick and easy access. For circulation of library books 'Automated Self Service Kiosk' has been installed, which enables users to issue, return and renew books by themselves.

Institute has state of art infrastructural facilities to support teaching-learning, research and administrative services. The institute is spread over 26.72 acres with built up area of 3,37,500 sft. housing 65+ smart class rooms, 2 ICT studio rooms, 4 flipped classrooms, 4 conference halls, auditorium, 8 research laboratories, 103 academic laboratories, science and technology startup park, technology innovation and incubation center, open air amphitheater, makerspace, community facilitation center, skill development center and library. Campus-wide networking with 600 Mbps internet connectivity, Wi-Fi and CCTV facility is available. To reduce the consumption of electricity efficient lightings are used with solar electric energy of 100 KW on the grid. A captive power of 480 KVA is provided to ensure smooth working of the institute in times of power outage. The institute operates 32 buses for the benefit of students and staff.

IARE has a home away from home with the best amenities for the students to provide them a comfortable lifestyle within a vicinity of 1 km of the campus. The institute provides separate hostels for boys and girls, made to grow as places to support learning not only academics but also life skills in a multi-cultural and multi-lingual environment.

Students are encouraged to participate as actively in sports and other extracurricular activities as in academics. The institute maintains a separate unoccupied open area of 4 acres for the play fields in any time fit condition. Apart from this, the institute also has several sports rooms where students can play and revive their energies and be mentally and physically fit.

The IARE also enjoys geographical advantage, as it is well connected by air, rail and road. The college campus is adjacent to Nehru outer ring road (ORR) close to Dundigal junction exit, making it accessible to several important centers in and around the city. The Campus is situated 20 Km away from Secunderabad railway station and 11 Km from JNTUH University, Kukatpally, in a lush green and pollution free environment.

With its belief in holistic approach to excellence, the institute offers distinct Teaching-Learning Process to push the boundaries of human knowledge. The Institute excels in supporting "Research initiatives among students and faculty members" and "Entrepreneurship drive among students" which makes IARE as one of the best institutions to enhance the performance of the students.

#### 1.2 ORIGIN

Institute of Aeronautical Engineering holds its head high as one of the Top Ten Engineering Colleges in Hyderabad city.

YEAR	MILESTONES	
2000	The inception of Maruthi Educational Society. The emergence of Institute of Aeronautical Engineering offering B.Tech in Aeronautical Engineering	
2001	Starting of B.Tech in Computer Science & Engineering and Information Technology.	
2004	Starting of B.Tech in Electrical & Electronics Engineering, Electronics & Communication Engineering and Mechanical Engineering	
2004	Increase in the intake of B.Tech in Aeronautical Engineering, and Computer Science & Engineering from 60 to 90	
	Increase in the intake of B.Tech in Computer Science & Engineering from 90 to 120	
2006	Increase in the intake of B.Tech in Electronics & Communication Engineering from 60 to 90	
	Starting of PG courses in MBA/MCA	
	Starting of B.Tech in Civil Engineering	
	Increase in the intake of B.Tech in Aeronautical Engineering from 90 to 120	
2008	The departments of Computer Science & Engineering, Information Technology and Aeronautical Engineering got accredited by the NBA, New Delhi, for the period of three years	
	Starting of PG courses in M.Tech (Aerospace Engineering and Computer Science and Engineering)	
	Starting of PG course in M.Tech (Software Engineering)	
2009	Increase in the intake of B.Tech in Electronics and Communication Engineering from 90 to 120	

2010	Increase in the intake of B.Tech in Aeronautical Engineering and Computer Science and Engineering from 90 to 120	
2011	Starting of PG courses in M.Tech (CAD/CAM)	
2012	Increase in the intake of B.Tech in Computer Science and Engineering and Electronics and Communication Engineering from 120 to 180	
	Starting of PG course in M.Tech (Embedded Systems)	
	Increase in the intake of B.Tech in Mechanical Engineering, and Civil Engineering from 60 to 120	
2013	The departments of Computer Science and Engineering, Aeronautical Engineering and Information Technology got accredited again for two more years and the departments of Electrical and Electronics Engineering, Mechanical Engineering and Electronics and Communication Engineering got accredited by the NBA, New Delhi, for the period of two years	
2014	Starting of PG courses in M.Tech (Power Electronics & Electrical Drives and Structural Engineering)	
2014	JNTUH, Hyderabad granted permanent affiliation for a period of five years	
	Recognition of Institute under Section 2 (f) & 12 (B) of the UGC Act, 1956	
2015	Conferment of Autonomous Status by University Grants Commission, New Delhi.	
2013	The Institute got accredited by National Assessment and Accreditation Council (NAAC) with 'A' grade	
2016	Institute of Aeronautical Engineering, Hyderabad (Telangana) got recognized by the Department of Scientific and Industrial Research (DSIR) for the purposes of availing custom duty exemption for its research activities in terms of Government Notification No. 51/96-Customs dated 23 July, 1996 and Central Excise duty exemption in terms of Government Notification No. 10/97-Central Excise dated 1 March, 1997 as amended from time to time	
2016	The Institute got accredited by National Board of Accreditation for three years for all the seven branches: Aeronautical Engineering, Computer Science and Engineering, Information Technology, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Civil Engineering.	
2017	Ranked one among top 10 Private Engineering Institutions in Telangana and one in all India Rank-band: 151-200 as per National Institutional Ranking Framework (NIRF) - 2017, Ministry of Human Resource Development (MHRD), Govt. of India.	
	Increase in the intake of B.Tech in Electrical and Electronics Engineering and Information Technology from 60 to 120.	

2019	The Institute has been further accredited by National Board of Accreditation for period of three years upto 30 June, 2022 for all the seven branches: Aeronautical Engineering, Computer Science & Engineering, Information Technology, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Civil Engineering.  Ranked 139 in Engineering category as per National Institutional Ranking Framework (NIRF) - 2019, Ministry of Human Resource Development (MHRD), Govt. of India.  Starting of PG course in M.Tech (Electrical Power Systems)
	The Institute has been Accredited by National Board of Accreditation for two PG Programs in Engineering: M.Tech - Computer Science and Engineering and M.Tech - Embedded Systems from the Academic Year 2019 - 20 to 2021 - 22 for a period of three years.
	The Institute has been Accredited by National Board of Accreditation for Management Program: MBA (Masters in Business Administration) from the Academic Year 2019 - 20 to 2021 - 22 for a period of three years.
2020	IARE is Ranked 170 in Engineering category as per National Institutional Ranking Framework (NIRF) - 2020, Ministry of Human Resource Development (MHRD), Govt. of India.
	Institute of Aeronautical Engineering (IARE), is categorized as 'Band B' institution (rank between 26-50) in category of 'Private or Self-Financed College/Institutes' in Atal Ranking of Institutions on Innovation Achievement (ARIIA) – 2020, as per MHRD's Innovation Cell, Ministry of Education, Govt. of India.
	Starting of Emerging Courses in B.Tech in Computer Science and Engineering (Artificial Intelligence and Machine Learning), Computer Science and Engineering (Data Science), Computer Science and Engineering (Cyber Security), Computer Science and Information Technology.
2021	Institute of Aeronautical Engineering (IARE) is ranked 159 in Engineering category as per National Institutional Ranking Framework (NIRF) - 2021, Ministry of Human Resource Development (MHRD), Govt. of India.

#### 1.3 VISION, MISSION AND QUALITY POLICY

#### **VISION**

To bring forth professionally competent and socially sensitive engineers, capable of working across cultures meeting the global standards ethically.

#### **MISSION**

To provide students with an extensive and exceptional education that prepares them to excel in their profession, guided by dynamic intellectual community and be able to face the technically complex world with creative leadership qualities.

Further, be instrumental in emanating new knowledge through innovative research that emboldens entrepreneurship and economic development for the benefit of wide spread community.

# **QUALITY POLICY**

Our policy is to nurture and build diligent and dedicated community of engineers providing a professional and unprejudiced environment, thus justifying the purpose of teaching and satisfying the stake holders.

A team of well qualified and experienced professionals ensure quality education with its practical application in all areas of the Institute.

#### 1.4 RANKINGS AND ACCOLADES

Institute of Aeronautical Engineering (IARE) is ranked 159 in engineering category as per National Institutional Ranking Framework (NIRF) - 2021, Ministry of Human Resource Development (MHRD), Govt. of India.

Institute of Aeronautical Engineering (IARE), is categorized as 'Band B' institution (rank between 26-50) in category of 'Private or Self-Financed College/Institutes' in ATAL Ranking of Institutions on Innovation Achievement (ARIIA) – 2020, as per MHRD's Innovation Cell, Ministry of Education, Govt. of India.

#### 1.5 ACADEMIC EXCELLENCE

Institute of Aeronautical Engineering is a truly holistic place of learning, made up of seven outstanding dimensions.

#### 1 Academic

Learn from world leaders and ground breaking experts.

IARE is ranked in the world's top 4% of engineering institutes and has an invincible reputation for high-quality education, research-active teaching staff and facilities.

#### 4 Enterprise

Go beyond the classroom and make your ideas take a concrete shape.

Got a good idea for a start-up venture? We have the resources to help you realize your dream.

Want to make a difference and help others? We offer entrepreneurial advise and opportunities for you to achieve this.

#### 2 Pedagogy

The curriculum prepares you for today's world.

We work with our community, business partners and industry leaders to develop course content that meets the needs of employers.

#### 5 Community

You can make a difference by getting involved

Over the last few years, IARE students have earned national reputation for their community involvement and social service.

#### 3 Research

Learn from world researchers-go beyond and do differently.

We see learning and research as the connected aspects of a student's experience, putting him close to the world-leading research that is changing lives in the communities we serve.

#### **Active traits**

With technical clubs and events, you can have a unique student experience and can become expert by getting involved.

A dedicated center for personality development helps students to become self aware of their personality traits and make an effort to excel in their professional and personal life.

#### 7. Support

#### Tap into a dedicated support network, tools and resources.

IARE is committed to help and support you with a wide range of services such as, computerized intellect campus management system, 24/7 high speed W-Fi environment to manage your jobs easily.

#### **CORE VALUES**

: All activities are conducted according to the highest international standards. **Excellence** 

Adheres to the principles of honesty, trustworthiness, reliability, **Integrity** 

transparency and accountability.

To show respect for ethics, cultural and religious diversity and freedom of thought. **Inclusiveness** 

: Promotes community engagement, environmental sustainability, and global citizenship. It Social also promotes awareness of, and support for, the needs and challenges of the local and Responsibility global communities.

: Supports creative activities that approach challenges and issues from multiple Innovation perspectives in order to find solutions and advance knowledge.

#### 1.6 CAMPUS LOCATION AND DIRECTIONS

#### Campus Location

IARE enjoys geographical advantage as it is well connected by air, rail, and road transportation. The institute is situated at Dundigal, adjacent to Nehru Outer Ring Road (ORR) off Medak - Narsapur junction (exit – 5), making it accessible to several important centers in and around the city.

The institute is 20 km away from Secunderabad Railway Station, 11 km from JNT University, Kukatpally, Hyderabad and is just a 40 minute drive from Rajiv Gandhi International Airport at Shamshabad.

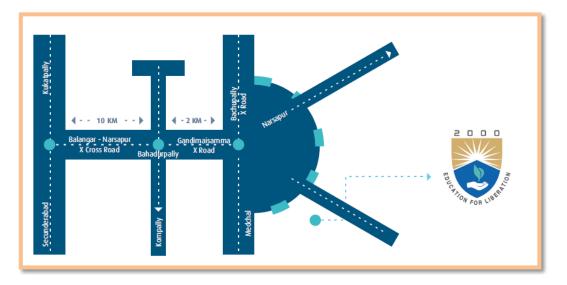

#### How to get to Institute of Aeronautical Engineering by Bus:

Well connected by various bus-routes from all over the Hyderabad / Secunderabad. The details are as under:

- Bus No '230D' It takes 60 min from Chilakalaguda / Secunderabad Bus Station. TSRTC runs a total of 26 daily trips from Chilakalaguda towards Air Force Academy route. .
- Bus No '230X' It takes 80 min from Central Bus Station (CBS). TSRTC runs a total of 5 daily trips from CBS towards Dundigal route.
- Bus No '83J/230' It takes 120 min from Kachiguda Bus Station. TSRTC runs a total of 6 daily trips from Kachiguda Bus Station towards Dundigal route.

#### **Directions**

Reach Balanagar X Roads - Take the road towards Medak / Narsapur - Travel 14 km to reach Gandi Maisamma X Roads. Head 03 km towards Dundigal to reach the institute.

## 2. CODE OF CONDUCT AND POLICIES

#### 2.1 ACADEMIC INTEGRITY

Integrity is, one of the core values at Institute of Aeronautical Engineering. IARE believes that academic integrity is reinforced by the faculty as an element of the teaching and learning process. Only in limited instances, which call for stern disciplinary action, the Disciplinary Committee shall consider sanctions, warning, or in rare cases, removal of a student from the academic program.

#### 2.2 MOBILE USAGE POLICY

In accordance with the institute policy, usage of mobiles are not allowed in instructional area i.e. classrooms, tutorial rooms, laboratories, central library, seminar halls and auditorium. Everyone will switch off his/her mobile phone in instructional area. In addition to this, usage of mobile phones not allowed where "No Mobile Zone" board is displayed. Use of mobiles for viewing videos / radio / music / camera, etc. is strictly prohibited. Use of Head phones/Blue tooth devices in the campus is also strictly prohibited.

The dress code in the institute should be proper and appropriate. A professional appearance is appreciated.

#### 2.3 DRESS CODE

#### 2.4 ANTI-RAGGING ACT

Ragging has ruined countless innocent lives and careers. In order to eradicate it, Hon'ble Supreme Court in civil appeal No. 887 of 2009, passed the judgment wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti-Ragging database.

Complying with the directives of the Hon'ble Supreme Court of India (vide its order dated 16 May 2007) and AICTE Notification dated 25 March 2009 (issued vide F. No. 37-3/Legal/AICTE/2009), an Anti-Ragging Committee is formed for overseeing the implementation of the provisions of the Anti-Ragging verdict.

It shall be the responsibility of the Anti Ragging Committee to ensure compliance with the provisions of UGC regulations on Curbing of Menace of Ragging in Higher Educational Institutions 2009, as well as the provisions of any law for the time being in force concerning ragging and also to monitor and oversee the performance of the Anti- Ragging Squads detailed for prevention of ragging in the Institutions.

The Committee will monitor the measures taken by the Institute for prevention of ragging and suggest appropriate actions/punishments against individuals indulged in ragging.

#### 2.5 MONITORING ASPECTS OF RAGGING

#### 2.5.1 Anti-Ragging Surveys

Anonymous random surveys, across first year students to be carried out in the respective places allotted by Antiragging committee Chairman during first three months.

#### 2.5.2. Anti Ragging Committee (ARC) at the Institute Level

An Anti Ragging Committee (ARC) should be constituted at Institute level to monitor the various aspects related to menace of ragging. The members of the committee can be nominated by the Principal. The ARC may have 'Principal' as chairperson and one member as convener, and all the head of the departments are as members.

#### 2.6 MEASURES TO PREVENT RAGGING

- a. Awareness programs are conducted and Anti ragging act is read out in the class during the induction and orientation programs for fresher and senior students.
- b. Anti-Ragging regulations are displayed in the prominent places in the campus and also on the Institute's website.
- c. Anti-Ragging Committee is constituted to ensure compliance with the provisions of the Regulations as well as the provisions of any law for the time being in force concerning ragging; It will also to nominate, monitor and oversee the performance of the Anti-Ragging Squad in prevention of ragging in the institution
- d. Anti-Ragging Squad will be called upon to make surprise checks in the canteen, and other places vulnerable to incidents of, and having the potential of, ragging and shall be empowered to inspect such places.
- e. Anti-Ragging Squad is empowered to conduct an on-the-spot enquiry into any incident of ragging referred to it by the Head of the institution or any concerned complainant and the enquiry report along with recommendations shall be submitted to the Anti-Ragging Committee for action.

# 2.7 ANTI-RAGGING COMMITTEE

An Institute Anti-Ragging Committee has been constituted. The committee focuses on anti-ragging issues of the students and resolves the issues by suitableawareness drives, students counseling, monitoring, and control. The composition of the committee is as under:

S No	Name	Designation	Responsibility	Phone Number
1	Dr. L V Narasimha Prasad	Principal	Chairman	9490182900
2	Dr. D Govardhan	Professor, AE	Member	9948503909
3	Dr. G Sucharitha Reddy	Professor, CSE	Member	9573097536
4	Dr. M Purushotham Reddy	Professor, IT	Member	9885423370
5	Dr. P Ashok Babu	Professor, ECE	Member	9848898290

6	Prof. V V S H Prasad	Professor, ME	Member	9985821449
7	Dr. P Sridhar	Professor, EEE	Member	8886023000
8	Dr. P Govardhan	Professor, DS	Member	9848869010
9	Prof. B Padmaja	Associate Professor, AI&ML	Member	9618150625
10	Dr. R Obulakonda Reddy	Associate Professor, CS	Member	9966552679
11	Mr. S Srikrishnan	Assistant Professor, CE	Member	9003138376
12	Dr. Vara Lakshmi Thavva	Professor, MBA	Member	8639418996

#### 2.7.1 ACTING RESPONSIBLY

Given the impact that allegations of illegal harassment can have on those involved, the institute expects all persons involved in any procedure under this policy-whether as a complainant, a respondent, or a potential witness-- to act responsibly and in good faith.

#### 2.7.2 EMPLOYEE / EMPLOYEE SOCIAL RELATIONSHIPS

All employees are expected to maintain relationships with their colleagues that in no way foster questions or allegations of favoritism or conflicts of interest, adversely affect the morale of others, create an appearance of impropriety, or otherwise adversely affect the institutes standards, overall character, public image, or other legitimate interests. Mature, mutually respectful, and non-coercive social or amorous relationships between consenting adult employees are not considered to be sexual harassment. However, given the risk of potential sexual harassment claims, dating or amorous relationships between any faculty or staff member and his/her direct supervisor are prohibited.

#### 3.2 ADMISSION PROCEDURE

Admissions to the Institute are made along with the other engineering colleges in the state through a common entrance test conducted by the Govt. of Telangana.

#### **UNDER-GRADUATE PROGRAMS**

#### Category 'A'

Admissions under category 'A' (70%) are made by the Telangana State Council of Higher Education through a common entrance test TS EAMCET.

#### Category 'B'

Admissions under Category 'B' (Management / NRI - 30%) are made by the college based on merit as per the guidelines of TSCHE, Hyderabad.

#### Lateral Entry into II Year B.Tech

In addition to the above, diploma holders are admitted directly into the second year of B.Tech to the extent of 10% of intake based on the rank obtained in the Engineering Common Entrance Test (ECET), / under lateral entry scheme conducted by Govt. of Telangana.

#### **POST-GRADUATE PROGRAMS**

Admissions to the Post-Graduate programs are made through both the windows, category 'A' and category 'B'.

#### Category 'A'

Admissions (70% of seats) are conducted for M.Tech programs based on a valid GATE score / Rank obtained in TS PGECET common entrance test conducted by the Government of Telangana.

#### Category 'B'

Admissions (30% of seats) are made based on merit as per the guidelines of TSCHE, Hyderabad.

In case of MBA, 70% of the seats are filled by ICET Convener and 30% of the seats are filled based on merit as per the guidelines of TSCHE, Hyderabad.

#### 3.3 PHOTOGRAPHS

On admission a student shall submit five copies of his / her photograph with the following specifications:

- 3.5 cm x 3.5 cm
- White background
- 80% of the photo should comprise of the face
- Sunglasses, hats, etc. should be avoided

**Note:** Students are advised to keep additional copies of the same for use in examination application forms and other forms.

#### 3.4 PAYMENT OF FEES AND FINANCIAL MATTERS

All students are requested to pay the academic fees for the academic year 2021 - 22 through HDFC Smart Hub (Payment Gateway) Module only. The Administrative office operates from Monday to Saturday between 09.30 a.m. - 06.00 p.m. It also provides information about tuition fees, refunds, examination fees, financial aid and fines.

Last slot for payment of annual tuition fee is from **01 May to 15 May** for each year of study. The late payment of tuition fee with fine of Rs. 500/- per day is applicable on the next 6 days and thereafter, Rs. 100/- per day upto a day before the date of course registration as specified in the Academic Calendar.

#### Scholarships and provisions for EBC

Reserved category students and EBC students may be eligible for scholarships offered by the State Government/Central Government. Such students need to submit their applications along with the required certificates to the scholarship desk at the Institute at the beginning of every academic year.

#### 3.5 INSTITUTE ACADEMIC / ACTIVITY DETAILS

Institute Academic Calendar / Events and Fests details are available on www.jare.ac.in

#### 3.6 COURSE REGISTRATION

Each student has to compulsorily register for course work in the beginning of each semester as per the schedule mentioned in the Academic Calendar. It is compulsory for the student to register for courses on time.

#### 3.7 FEEDBACK MECHANISM

Feedback will be collected twice in a semester

- Early semester feedback
  - Collected after two weeks of commencement of class work
- ❖ End semester OBE feedback (Outcome Based Education)
  - Collected at the end of the semester

#### 3.8 ROLL NUMBER

Each student will be allotted a unique roll number which will be used throughout his / her course and even for alumni activities.

**Note:** Ensure that you state the complete roll number on any correspondence that you make with the Institute.

#### 3.9 INSTITUTE TIMINGS

#### The Institute starts at 9:15 A.M. and ends at 4:30 P.M.

Each day is bifurcated into seven interactive sessions of 50 minutes duration each. Practical learning sessions are allotted two / three consecutive sessions wherein students perform experiments in laboratories.

#### 3.10 IDENTITY CARD

Each student shall have his/her identity card. He / She needs to wear it in the institute. You are advised to always carry it with you even outside the campus as it may be useful for you to prove your identity when asked by any authority.

Ensure that your address on the identity card is correct and always get it updated in case of any change. Report lost/damaged identity card to the Administrative section without any delay and follow the procedure to get a replacement card.

Replacement card shall be issued on submission of application in a prescribed format along with fees of Rs.200.00

#### 3.11 RESIDENTIAL ADDRESS AND PHONE NUMBER

Provide the correct residential address along with parents and student phone numbers to the administrative office. In case of any change, inform the authorities immediately. Students staying in hostels should also provide permanent address and phone number. Submit your mobile number to received text message alerts from the Institute.

**Note:** The administrative office follows the Institute policy of maintaining the students' records which includes the personal details, enrolment status, degrees received, recent educational institutions attended and certificates issued.

#### 3.12 CURRICULUM

The curriculum prescribed by the Institute is taught during the term notified by the Institute. For program curriculum, visit www.iare.ac.in

#### 3.13 SEMESTER STRUCTURE

The Institute shall follow semester pattern. An academic year shall consist of a first semester and a second semester; the summer semester follows in sequence. Each semester shall be of 21 weeks and this period includes time for course work, examination preparation, and examinations. Each semester shall have a minimum of 75 - 90 teaching days.

#### 3.14 ATTENDANCE REQUIREMENTS

#### **Attendance requirements to appear for the Semester End Examination**

- It is desirable for a candidate to maintain 100% attendance in each course. In every course (theory/laboratory), student has to maintain a minimum of 75% attendance including the days of attendance in sports, games, NCC and NSS activities to be eligible for appearing in the Semester End Examination of the course.
- In case of medical issues, deficiency of attendance in each course to the extent of 10% may be condoned by the College Academic Committee (CAC) on the recommendation of the head of the department if the attendance is between 75% and 65% in every course, subjected to the submission of medical certificates, medical case file and other necessary documents to the concerned departments.
- The basis for the calculation of the attendance shall be the period prescribed by the Institute by its calendar of events. For late admission, attendance is reckoned from the date of admission to the program. However, in case of a student having less than 65% attendance in any course, s/he shall be detained in the course and in no case such process will be relaxed.
- A candidate shall put in a minimum required attendance for at least three (3) theory courses to get promoted to next higher class / semester. Otherwise, s/he shall be declared detained and will have to repeat the semester.
- Students whose shortage of attendance is not condoned in any subject are not eligible to write their semester end examination of those courses and their registration shall stand cancelled.
- A prescribed fee shall be payable towards condonation of shortage of attendance.
- A student shall not be promoted to the next semester unless he satisfies the attendance requirement of the present semester, as applicable. They may seek readmission into that

- semester when offered next. If any candidate does not fulfill the attendance requirement in the present semester, he shall not be eligible for readmission into the same class.
- Any student against whom any disciplinary action by the institute is pending shall not be permitted to attend any SEE in that semester.

#### Methodology for monitoring and evaluating the progress

The conduct and the performance of students are closely monitored in terms of attendance, continuous assessment test, mid semester tests and tutorials. Every month the attendance particulars are presented by every course instructor to the head of the department who informs students about the percentage of shortage of attendance, if any, and cautions them not to miss classes any more. Each student is assigned to a faculty member (called mentor) who continually monitors his / her performance and guides him / her so as to foster overall growth and development. An excellent rapport is maintained with parents who are informed of their wards' progress on a regular basis.

#### 3.15 EXAMINATIONS

- Examinations are conducted by the Institute at the end of each semester.
- Students have to submit filled in examination application form to the Controller of Examination (COE) before the last date as announced by the COE.
- Please note that, the rules related to the eligibility for examination are available in the Institute's website. Rules are subject to change by the Institute.
- Examination application form link will be enabled to the students who do not pay the college/exam fees
- Hall tickets will not be issued to the students who do not pay college fees and/or examination fees and to those who do not submit applications for examination.
- Students may contact the Examination Cell for more details.

#### 3.16 ACADEMIC AND CLASSROOM MISCONDUCT

The instructor has the primary responsibility for control over classroom behavior and academic integrity and can order the temporary removal or exclusion from the classroom of any student engaged in disruptive behavior. Extended or permanent exclusion from the classroom or further disciplinary action can be imposed only with the approval of the Principal.

#### 3.17 ISSUE OF CERTIFICATES

- Bonafide Certificate: Bonafide certificate is issued to students on the payment of tuition fees. The certificate shall be issued within 2 working days.
- Certificates for Bank Loans: Certificate for availing bank loan is issued to eligible students. Students need to apply online to the department for the same. The loan estimation document shall be issued within 3 working days.
- Any other certificates: For any other certificates, students need to apply online while clearly stating the purpose for which the certificate is required. The certificate may be issued on scrutiny within 2 working days.

#### 3.18 FACULTY AND STAFF

IARE has a dedicated team of teachers who are committed to igniting the spark of creativity and inspiring a quest for knowledge in the minds of students. The highly qualified faculty comprises a judicious blend of experience and expertise, aimed to motivate students to gain knowledge by using their personal qualities and their positive experiences.

Faculty members develop and deliver the educational programs that bring excellent students to the institute. Faculty at our institute has impeccable qualifications, extensive expertise and experience in their chosen fields, and an overriding commitment to the welfare of the students.

# For a detailed list of all the faculty, visit Website: www.iare.ac.in

#### 3.19 OUTCOME BASED EDUCATION (OBE)

Outcome-Based Education (OBE) model is being adopted at a fast pace at Engineering institutes in India at the moment. It is considered as a giant leap forward to improve technical education in India and help Engineers compete with their global counterparts. Outcome Based Education (OBE) is an important demonstration Tool for student-centered instruction that focuses on measuring student performance through outcomes. Outcomes include Engineering Knowledge, Problem Analysis, Ethic, Individual and Team Work, Communication etc. It enables the students to perpetuate these outcomes as they perceive over the years of engineering. The students are evaluated for all the required parameters (Outcomes) during the course of the program. The formulated rubrics assessment is indicative of a continuous improvement strategy that can be easily adaptable by faculty and students across engineering streams.

#### 3.20 MENTOR - MENTEE SCHEME

A mentor is a faculty member who is duly appointed to monitor a student's academic and personal welfare and help in their studies. With mentors a student can share all their problems that are somehow affecting their academic pursuit. Students can also share with them their personal problems in case any help is required. They keep track of mentee attendance and will remain in touch with their parents/guardians as well. The Mentor mainly performs the following functions:

- ❖ Meet the group of students at least twice a month
- \* Continuously monitor, counsel, guide and motivate the students
- Advice students regarding choice of electives, projects, summer training etc.
- ❖ Advice students in their career development/ Professional guidance

#### 3.21 SCHEME FOR AWARD OF GRADE

- ❖ Not less than 35% marks for each theory course in the semester end examination
- ❖ A minimum of 40% marks for each theory course considering Continuous Internal Assessment (CIA) and Semester End Examination (SEE)
- Not less than 40% marks for each Laboratory / Project work / FSI Project work course in the semester end examination
- ❖ A minimum of 40% marks for each Laboratory / Project work / FSI Project work course considering both internal and semester end examination

# 4. STUDENT RESOURCES

#### **4.1 LIBRARY**

The duplex modeled modern digital library is fully computerized with bar-coding and Wi-Fi facility. Completely automated library management system creates comfort and convenience for the readers to borrow books at any time. In addition to these resources, faculties are given the provision of uploading all their lectures, question banks, lab manuals, and research notes on the institute's Intellect CMS repository. These are available to the students with the simple keying in of a password.

#### LIBRARY RULES

- Student's ID card is mandatory to enter into the library
- Talking on mobile phones inside the library is strictly prohibited
- Food and beverage are not allowed inside the library

#### **Design and Manufacturing Workshop**

Traditional soft modelling and prototyping facilities, the latest Computer Numerical Control (CNC) machining technology, industry-standard lathes, milling machines and metal sheet cutters

Rapid Prototyping Technology – multi-material 3D printers, laser cutters and vacuum casting systems.

At IARE, up-to-date software environment with 42 ultra modern computer laboratories that are home to over 1600 computers offers computing facilities to meet academic, project, and research requirements. This is made possible by connecting the servers across the campus through fiber optic backbone.

120 KVA uninterruptible power supply system with 480 KVA Diesel green generator sets are exclusively catering to the needs of the computer center. Broadband 600 Mbps internet facility is available through wireless connectivity.

#### **4.3 INTERNET**

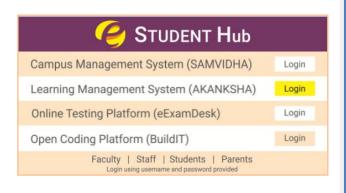

Campus-wide networking with 700 Mbps internet connectivity, Wi-Fi and CCTV facility is available. The Institute uses legal software as a practice. It has set up a dedicated license server for major development related software that is part of the curriculum.

#### **4.4 WEBSITE AND E-MAIL**

The Institute information can be availed on website www.iare.ac.in. For any queries/suggestions one can mail to principal@iare.ac.in. Students can also use Intellect CMS Login in the institute for day to day useful information and notices.

# 4.5 TOTAL STUDENT DEVELOPMENT PROGRAM / INTELLECT CAMPUS MANAGEMENT SYSTEM

We believe that to be leaders in the real world, students must develop the intellectual breadth and creativity to tackle the challenges of increasing complexity, globalization, and rapid change. The Total Student Development Program (TSDP) focuses on every aspect of a student's personality, helping him/her to develop interpersonal, technical, and business skills.

#### 5.6 CAREER DEVELOPMENT CENTRE

IARE has been consistently improving its placement record with more than 75% students being placed in various reputed organizations. The Career Development Cell (CDC) plays a pivotal role in building the career of aspiring engineers enabling them to hone their skills in order to reach their desired goals. Our industry-institute interactions have been instrumental in getting some of the renowned MNCs to the institute and conduct on campus recruitment drives.

CDC believes in combining the three facets that together spell success - Ability, Motivation and Attitude. To strengthen one's forte in today's ever challenging technical world, engineers require exemplary technical expertise combined with effective inter personal skills.

The PAT center holds an impressive testimony of continuously maintaining an upward curve in terms of the percentage of eligible students placed thereby building a good placement record during its oncampus drive and also for attracting more and more MNCs from across the globe.

#### **Objectives:**

- To place final year students in respectable organizations through campus recruitment.
- To provide industrial training to students during their course of study.
- To organize lectures, seminars, group discussions, mock interviews etc. for career guidance, entrepreneurship and personality development.
- To provide information and assistance to students regarding opportunities for self-employment and job opportunities in India and abroad.
- To provide opportunities for higher studies in India and abroad.
- To prepare students for competitive examinations like GRE, GMAT, TOEFL, GATE, CAT etc.

Our formula for student's employability

Quality Education + Employability Skill = Student Employability

Our Talent Team is a dedicated resource for students, and offers a range of services, including

- **➤** One-to-one support
- Drop-in sessions for CV, application and Personal statement checks
- > Skills development sessions (200 hours)
- **➤** Mock interviews
- Assessment centre and psychometric testing training
- > Employer networking events
- Placements and paid internship opportunities

#### **An Impressive Array of Services**

The Institute facilitates hundreds of on-campus interview opportunities for positions spanning the globe and over a thousand electronic job postings specifically targeting our students each year. In addition, you are given the opportunity to interact with hiring managers and recruiters in more informal ways, including industry firm nights, career panels, corporate visits, alumni mixers, and job fairs.

#### **A Personal Approach**

The Institute optimum class size allows career advisors to offer a personalized, hands-on approach to your career search. Our goal is to provide you with resources and opportunities to successfully match your skills and interests with an employer. We also offer a broad range of seminars, programs, and services from experienced advisors, coaches, managers, and practitioners at all stages of the career planning process.

The Institute maintains good relations with corporate houses and other prestigious institutions being a perfect host for educationists and entrepreneurs. Our placement team works round the year to ensure successful placements in esteemed organizations.

To strengthen one's forte in today's ever challenging technical world, engineers require exemplary technical expertise combined with effective inter personal skills.

Increasingly recognized by recruiters for its abundant talent pool and excellent facilities, IARE's placement process aims to match the requirements of recruiters and the aspirations of students.

#### **SkillUP Program**

Only 5% students get placed in high impact salary jobs and this program ensures you are in that 5%. It is crafted to get students placed in these companies. Mastering Data structure/Algorithms, problem solving along with strong knowledge of required computer science subjects is a key to get placed in these companies and in this program students get proficient in all of these.

This program will help the students be able to easily solve problems asked in coding interviews of these companies. This program is designed for two years and three levels to meet the above mentioned company requirement. The students will be eligible to the next level only if they satisfy current program requirements.

#### SEED – (Skill Enhancement and Employment Development)

Skill Enhancement and Employment Development (SEED) is the 6 months entry level program in SkillUP and this will start at the III semester. This program is mainly concentrated to excel in Coding and Data Structures.

#### STAR – (Set to Augment Result)

Set to Augment Result (STAR) is the 6 months middle level program in SkillUP and this will start at the IV semester. STAR program is only open to the students who will complete the SEED program. This program is mainly concentrated to excel in Algorithms and Database Management Systems.

#### ZENITH PROGRAM

ZENITH is the 12 months advance level program in SkillUP and this will start at the V semester. ZENITH program is only open to the students who will complete the STAR program. This program mainly concentrates on Internships, Coding interviews, Operating System and Computer Networks. ZENITH program shortlisted students spend 70% time with the training activities and also these students will get outside training from top industry people and top trending training institutes.

#### SkillBridge Program

SDD team is continuously analyzing changes in the global market and industry's expectations. In today's world survival of the fittest is in trend, organizations are not only looking for individuals with a prescribed Technical skills set but more importantly individuals with a propensity to demonstrate 'Hard skills' efficiently. The SDD team has created a platform for students to horn their Employability skills along with Aptitude through various activities.

#### 1. Technical Skills

With the fast paced growth in the software and hardware technology sector, companies and institutions will have to cope with the vast progress through providing its employees with the necessary technical training to improve their performance, and through adopting new practices to develop more competitive businesses. Technical training should be tailored to the set of skills required at the company or organization.

#### **Skills Covered**

- Graph Theory
- Python Programming
- Data Structures
- Algorithms
- Database Management Systems
- Operating Systems
- Computer Networks

#### 2. Aptitude Skills

Companies nowadays provide adequate work-related training to their employees themselves, but they require the recruit to be competent and able enough to imbibe that training quickly and effectively. This is why aptitude skills have become an integral part of all recruitment processes. Aptitude Skills Enhancement Program of SDD enhances Numeric abilities, logical, critical and verbal reasoning along with the problem-solving capabilities of the students.

#### **Skills Covered**

- Logical reasoning
- Quantitative Mathematics
- Verbal Aptitude
- Verbal Reasoning
- Placement Aptitude

#### 3. Business English Language Skills

SDD has taken a new initiative to enhance the language skills of each student. Proficiency in English language is absolutely essential for securing suitable employment, qualifying different competitive exams and performing well at academics. Keeping these objectives in mind, a test was conducted. It was found out that a very large number of students required supplementary remedial English classes. Therefore, a very elaborate program has been designed to improve the linguistic skills of the students.

#### **Skills Covered**

- Reading Comprehension
- Grammar
- Spoken English
- Written English

#### **Skill Refresher Program**

Skill Refresher is a one month summer refresher program for VI semester Students. Aptitude, Technical Training, Communication Skills and Mock Interviews are the integral part of the selection procedure in almost all the MNC Companies. SDD Conducts Program for Students in a workshop mode, which helps students to revise, revives and re-construct their preparation in synchronize with industries demand

#### **Student Mentoring in Life and Education (SMILE)**

SMILE understands that Counseling is the activity in which a counselor, or a professional who counsels people, especially on personal, career and behavior problems and difficulties. Individual Counseling is confidential short-term therapy available to all students at no charge. This center is operated by experienced counselors who are specifically appointed to help in all aspects.

We encourage you to take full advantage of the services we provide to support your IARE experience and your career development process. We will partner with you to develop an action plan for accomplishing your goals for both. There are benefits to developing a relationship with your career adviser as soon as your first year at IARE, we hope you'll visit early and often.

#### **Programs Covered**

- ❖ Academic Counseling
- Career Counseling
- Personal Counseling

#### **IARE Career Center Confidentiality Policy**

Most information shared in career advising appointments remains confidential. In specific circumstances, the Career Center may be required to break confidentiality to protect you or identified others from harm. IARE Career Center staff protects the privacy and security of student records

#### **5.7 CAREER COUNSELING**

The Institute provides career counseling and academic counseling to all students. Mentors / Counselors can provide you with educational and career information. Special seminars are held in pre–final year for the information about various career options after graduation.

#### 5.8 PROFICIENCY TESTS: THE WEEK END INTERNET BASED TESTS

Proficiency Tests are taken from home online. These are weekend tests conducted on Sundays from 9 AM to 9 PM. Proficiency tests assess the student's knowledge acquired on Aptitude, English, C and

Java programming. Students taking 50% of tests with 60% of marks are waved from the payment of PAT training fee.

#### 5.9 BUILDIT GO-LAB

An online learning, assessment and evaluation platform (Programming, Aptitude, English Language (Grammar and Vocabulary) and Essay/Email writing), focused on helping the students to clear initial screening tests of campus recruiters in an automated way.

#### 5.10 BOOT CAMP PROGRAM

BOOTCAMPS is a technical training program that helps students of all backgrounds to enhance the technical skills that employers look for. We are offering 13 courses in various engineering streams for 30 days. Students can choose any one course based on their interest and prior knowledge. Maximum intake for each course is 30 and the selection is based on first come first serve registrations.

### 6. STUDENT ACTIVITIES

#### 6.1 CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

IARE has always encouraged its students to give expression to their talents and creativity by organizing cultural and sports-related activities and events. The student coordinators manage the activities under the guidance of the convener. Students also get to prove their mettle by participating in the sports and cultural meets of other colleges.

The Institute has indoor as well as outdoor sports facilities on two playgrounds in the campus. The Sports Committee arranges tournaments in carom, chess, table tennis, football, volleyball, cricket, khokho, kabaddi, throwball, etc.

#### 6.2 NEWSLETTER - THE COMPEDIUM

The Compendium, recognizing the need to provide students with broader perspectives on campus issues, world and national issues related to technology and career planning, Institute has started a newsletter.

#### It has three objectives-

- Enhancing the learning environment on campus
- Acquainting students with national and world events and
- Encouraging a readership habit

#### **6.3 STUDENT PROFESSIONAL CHAPTERS**

Each department has set up its own society. It organizes various programs like expert lectures, workshops, seminars in it's their field of study.

#### STUDENT CHAPTERS

- Institute of Electrical and Electronics Engineers
- Association for Computing Machinery
- Institution of Electronics and Telecommunication Engineers
- Indian Society for Technical Education
- Computer Society of India
- Society of Aerospace Engineers
- American Society of Civil Engineers
- Institution of Engineers India
- American Society of Mechanical Engineers
- Institution of Mechanical Engineers

#### 6.4 ALUMNI ASSOCIATION

IARE Alumni Association aims to foster interactions and reinforce the bonds between alumni and the Institute through athletic and cultural activities, educational programs, and social services to nurture mutually beneficial relationships. It makes the Institute proud to know that its alumni are successful in their lives and careers by dint of their endeavors. The date and time of the meet will be well publicized and beforehand preparations are made for the success of the meet.

#### **6.7 STUDNT CLUBS**

Academic grades are imperative for job applications and career success, many employers are also looking for well-rounded candidates with demonstrated participation in extra-curricular activities. IARE provide students with both academic and non-academic clubs, to promote personal and professional development.

"Participation in the work of various clubs on campus provides students an opportunity to acquire leadership, planning, and social skills that are important for successful living."

#### **BENEFITS**

IARE not only provides career opportunities to students but also improves them with personal and social skills, enhancing the overall collegiate experience. Clubs and extra-curricular activities are "extremely important in helping students develop lifelong good working habits which hone their communication skills and foster creative thinking. Students can learn valuable character traits such as pride and productivity and also work as part of a team towards a common goal.

In addition to helping foster practical skills such as time management, leadership, and responsibility, extracurricular activities allow students to "test the waters" and explore new areas of interest. Additionally, successfully balancing the time commitments involved in participating in clubs with those necessary to maintain good grades helps prepare students for balancing the demands of a career, family and other life obligations.
