## ATTAINMENT OF COURSE OUTCOME – ACTION TAKEN REPORT

|                      |   |               |             |
|----------------------|---|---------------|-------------|
| Name of the faculty: | Mr. S.Selva Prakash                       | Department:   | CE          |
| Regulation:          | IARE - R16                                | Batch:        | 2017 - 2021 |
| Course Name:         | Technical Writing and Content Development | Course Code:  | AHS108      |
| Semester:            | VI  | Target Value: | 60% (1.8)   |

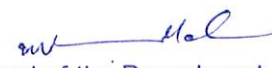

### Attainment of COs:

| Course Outcome |  | Overall attainment | Observation               |
|----------------|--|--------------------|---------------------------|
| CO1            | Apply the knowledge of research in finding the gaps from literature survey to formulate new ideas.                               | 2.70               | Attainment target reached |
| CO2            | Apply the techniques of data collection and sample design involved with different case studies for solving the research problem. | 2.70               | Attainment target reached |
| CO3            | Analyze the process of testing involved with the survey results for implementing novel models.                                   | 2.70               | Attainment target reached |
| CO4            | Understand the concepts of formatting styles for different documentation procedures.   | 2.70               | Attainment target reached |
| CO5            | Explore the knowledge on multimedia tutorials and blogs for research paper development.  | 2.70               | Attainment target reached |
| CO6            | Develop the presentation skills on the literature findings and research methodologies using advanced interacting tools.          | 2.70               | Attainment target reached |
