About PAT

Placement and Training centre (PAT) is functioning with an aim to mould students to meet the corporate expectations and place them in reputed companies. The cell invites reputed trainers in the field of communication and interpersonal skills to train the students with necessary soft skills required to face the interviews in today's competitive world.

Placement and training cell is instrumental in signing the MoUs with some of the reputed companies like Infosys, Tech Mahindra, NTT Data, Mphasis, TATA Advanced Systems, Cyient, MTE Industries, CISCO, Carence, ARM etc. Through the MoUs, the PAT organizes various technical training and certification programs for students to give edge in present global employment market.

The PAT organizes and coordinates Campus Placement Program to fulfill its commitment of a job to every aspirant. A lively and resolute relationship of the placement cell with corporates across the country resulted in a good placement record both in terms of percentage of eligible students placed and the number of corporates visiting the college. Around 32 core and software companies visit the college every year. The PAT is successful in securing projects and placements for PG students in various reputed MNC's.

The objectives of PAT Cell are:

- ◆ To place final year students in respectable organizations through campus recruitment.
- ◆ To provide industrial training to students during their course of study.
- ◆ To organize lectures, seminars, group discussions, mock interviews etc. for career guidance, entrepreneurship and personality development.
- ◆ To provide information and assistance to students regarding opportunities for selfemployment and job opportunities in India and abroad.
- ◆ To provide opportunities for higher studies in India and abroad.
- ◆ To prepare students for competitive examinations like GRE, GMAT, TOEFL, GATE, CAT etc.

MANAGEMENT

Sri Marri Rajasekhar Reddy Chairman

PRINCIPAL'S DESK

Dr. L V Narasimha Prasad PRINCIPAL

Mobile: 97036 18753 Email: principal@iare.ac.in With the fast paced ever-growing markets having global outlook, the demand for well-trained multi-skilled engineers and entrepreneurs has risen. The competition in the industry has increased and so have the standards that define engineering. Institute of Aeronautical Engineering has always strived to excel in technical and managerial arenas. Over the past 17 years, our strong alumni placed in prominent companies have made us proud. Our placements over the years have increased with many eminent companies visiting our campus. We make sure that students do not believe only in textbook learning approach but also in a holistic approach required to nurture their latest skills. In a short span, we have successfully made a mark in the corporate world. Our students have always set high benchmarks, competing with students all around the globe.

In line with institute vision and mission, we aim at providing excellent academic ambiance, student centric teaching-learning process, state-of-the-art infrastructure, highly qualified and experienced faculties and an overall dynamic and disciplined workplace. To meet pace with fast emerging technologies and rapidly changing world around, we try to nurture attitude of a leader and a lifelong learner among our students.

Wish you a happy learning.

Mr. A. PRAVEEN Dean industry interaction institution

The placement & Training cell of IARE, aims at not only providing training to the students but also nurturing Industry – Institute interaction by involving itself in many activities that provide the students a feel of professionalism. Amongst the numerous activities undertaken by our placement cell, it:

- •Involves itself actively with Industry and coordinates campus recruitment activities
- Organizes summer internships for aspiring students
- Conducts personality development workshops
- Collects feedback regarding the curriculum for keeping pace with the industry trends

IARE remains committed to maintaining and enhancing its already well established goodwill. It also promises to keep bringing glory to this nation. The quality of education and exposure that the students acquire from IARE coupled with soft skills, makes the students confident in facing the challenges of the corporate world. Like a tree, one must find a place to grow and branch out. I hope hard work, sincerity and updated knowledge in their own dolmans, along with soft-skills continue to pave way for our students to find the best places to grow.

PAT CENTRE

Mr. T Vishnuvardhan Reddy Placement & Training Officer

Our biggest strength lies in a proactive learning approach and detailed academic course of action that has prepared the students to do tremendously well in various demanding situations of the business world. We strongly emphasize on polishing their decision making skills which are sought after and looked-for in the organizations these days,

In addition, IARE conducts an exclusive, rigorous placement training program to mentor the students in gaining an upper hand in the placement oriented exams. Areas such as Aptitude, logical & analytical thinking, technical skills, English language & soft skills are covered to enable our students get their dream jobs.

The overall learning experience at IARE moulds the students into finely crafted and efficient human resource.

OUR FACULTY TO IMPROVE CAMPUS SELECTIONS

Mr. E Krishna Rao Patro
Associate Professor Technical Trainee

TECHNICAL SKILLS TRAINING

Technical classes by Mr. E. Krishna Rao Patro observe his 19 years of experience in teaching & industry being materialized wonderfully with his highly practical, industry oriented and real time approach.

We use Hacker rank approach, Patro's Debugging approach on real time applications which enable the students to test, debug, and to display the output in a user friendly manner. During the technical round of interview or even after the round, students will find it within their potential to solve any challenging problem posed by a technical person.

Mr. Samba Raju
Assistant Professor Quantitative Aptitue Trainee

QUANTITATIVE APTITUDE AND ANALYTICAL TRAINING

Quantitative aptitude classes at IARE placement cell are conducted by Mr. Samba Raju. He brings with him 10 years of professional experience to enhance and enrich students' logical and analytical thinking.

The classes are oriented towards preparing students for all popular competitive and placement exams and are based on quick learning methods including shortcut tips and tricks. As a result, students improve on their speed and time management skills. High emphasis is placed on improving their accuracy

Ms. Neha Garg
Assistant Professor Soft Skills & English Language Trainee

ENGLISH LANGUAGE COMMUNICATION SKILLS TRAINING

The placement and training department understands the requirements of the industry and prepares students pro-actively to match the skills needed for their placements.

Our English language and communication skills training is top-notch . The curriculum is carefully designed keeping in mind the pattern of all placements exams such as co-cubes, AMCAT, Infosys etc.

The trainer has 4 years of professional experience in the training field and has mentored thousands of students.

Regular GD's, debates, JAM sessions and MOCK interviews are conducted to give our students an edge over the competition.

TIPS FOR CAMPUS PLACEMENTS

Self Assessment

The first preparation that you can make for an employment interview is to give some serious thought about yourself by taking stock of your needs, interests and preferred job outcomes. Also, take stock of your strengths and weaknesses. Reflect on your goals and ambitions.

A good starting point would be to prepare a detailed Resume, which is merely a comprehensive and well-organized record of your accomplishments. As you prepare it, you will have to review your academic qualifications, knowledge, skills, experiences and achievements.

Job Analysis

The next step is to analyze the job opportunity to find out whether the organization and the job provides you the right opportunities keeping in mind your personal capabilities as well as your career goals. You can analyze the job opportunity under the following steps.

The Firm

- Back ground of the company
- Products and services
- Capital invested and turnover
- Profit performance
- Number of employees
- Location-factory and branches
- Future plans of the company
- Competitors
- Any important issue of the organization that has been noteworthy

Your source of information could be

- Balance sheet of the company
- Chairman's speech at the last General Body meeting of the company
- Brochures and pamphlets of the company
- Job opportunity announcement
- Talking to the employees of the company especially to the senior alumni

The Appointment

- Title of the job
- Number of posts
- Method or extent of company training and confirmation Remuneration

Levels of staff

- Accountability / challenges
- Job safety / risks

Duties & responsibilities pertaining to the job

- Routine / creative type of work
- Qualities needed for success and confirmation

Conditions of Employment

- Location / area of posting
- Remuneration & perks
- Day / hours of work / leave facilities
- Agreement contract / service bond
- Retirement benefits

Promotion Prospects

- Criteria
- Span periods of assessment for promotion
- Prospects for your specialization

Selection Evaluation

After the above job analysis, prepare a possible list of desirable qualities, which the firm would be looking for in a prospective candidate for that particular job. Try to match your capabilities with these qualities.

Try to improve on your shortcomings and enhance your capabilities.

Listed below are certain qualities, which are generally assessed in interviews with the priorities and weightages, varying with the job.

Academic

- Good scholastic record
- Preparation for interview
- Formulated long range goals & objectives

Personality

- Enthusiasm
- Self confidence
- Pleasant personality
- Emotional stability
- Poise in the interview
- Aggressiveness & Initiative
- Efficiency
- Moral standards
- Humility
- Good health
- Extracurricular activities

Communication & Leadership qualities

- Communication skills
- Writing skills
- Leadership potential
- Managerial Skills
- Interest in people

Organizational requirements

- Work experience of particular type
- Loyalty
- Compatibility with superiors
- Realistic salary expectations
- Willingness to accept routine assignments

PREPARATION FOR THE INTERVIEW

Familiarity with the interview process You will be more confident in the interview, if you prepare well in advance for the type of questions and the areas of specialization that are likely to be tested in the interview.

Personnel selection procedures vary greatly depending on the organization, the type of job and level

of the job. Generally, the job selection is made by anyone or a combination of the following.

- Preliminary, written tests like intelligence test, English Language test, Logical Reasoning test, Mathematical skill test, Technical Knowledge test etc.
- Group Discussions
- Personal Interviews
- Medical test
- For certain types of jobs, other tests like Leadership potential tests, Group tasks, Physical Endurance tests may also be used for assessment.

Academic Preparation

A sound knowledge of various subjects pertaining to your professional course is important. Preparation of a question bank with answers for the subjects, which you have studied, will be of great help in this regard. This would give you considerable confidence in facing the Technical part of the interview. A broader perspective of the subjects, through a study of technical books and journals, will give you an edge over others.

Project work

Considerable weightage is generally given to your final year project work, as it is supposed to reflect your own work. In the interviews, quite a lot of questions will pertain to your project work to evaluate your understanding and knowledge of the topic.

Impressive presentation of your project work can win you a job in many cases. You should have a comprehensive knowledge of the topic, including a clear understanding of the work presented in your project work. Rehearse the presentation of your project work to get sufficient practice and confidence.

A very common question regarding project work is 'Why did you choose this particular topic?' And 'What are practical applications?'

Practical Training

If you have undergone any practical training, this will be a credential for you. Volunteer this information during the interview, whenever you get the opportunity. Some questioning will generally be there on what you have learnt or observed during the training. Prepare a brief write-up on the training that you have undergone, so that you can answer questions convincingly on this topic.

Special Achievements

If you have, to your credit, any achievements like writing of a Technical paper, participation in seminar talks, fabrication of equipment, winning a prize in a Technical competition etc, list them out in detail and create an opportunity during the interview to project them before the interview committee.

Extra Curricular Activities

If you have distinguished yourself in extracurricular activities like sports, debate, NSS, cultural or any other activity where your leadership and organizational ability is involved, list them out. Such achievements must be authenticated or certificated. Be sure that you have a broader understanding of your field of interest, so that you can talk with confidence and authority on those topics. Some weightage is generally given for achievements in the above-mentioned fields.

Hobbies

If you are interested and proficient in any hobbies like music, drama, painting, literature, numismatics, philately etc, it is again a credential for you and sometimes can greatly help you in developing a positive rapport with interviewer, if that person also happens to be interested in them.

General knowledge and current affairs

A professional person is expected to be aware of the current events and have a broad understanding of the general events happening in society. In many interviews, there will be questions on these topics. Reading of newspapers and magazines and selective T.V. Viewing is a desirable habit. Also, participation in activities like quiz programs, seminars, essay writing etc. can give you considerable confidence in this regard.

Communication Skills

Ability to present your thoughts and ideas fluently in simple and correct language will be a great asset to your personality. If your communication skills are not up to the mark, you can improve your communication skills by consciously listening to some good speakers, Tips for Campus speaking to some of your friends who are good in English speaking and trying to speak in English at least in informal gatherings. There is no shortcut to gain fluency in English. The only way out is to overcome your inhibitions with some effort and start speaking in English. It is also important to practice your modulation during your practice sessions.
