## CAREER DEVELOPMENT CENTRE

### Context: Student Success Outcomes

31 May, 2025

**For the month of May, 2025 (Total Working Days: 9)**

S.No	Description	Values
1	<b>Student trainings</b>	
	a. No. of students (IV Semester: 586, VI Semester: 1093)	1679
	b. No. of sessions (IV Semester: 07, VI Semester: 09)	Total Hours of Training VI Semester: 27 hours IV Semester: 21 hours
2	<b>Performance of Students (Coding Profiles of IV Semester Students)</b>	
	a. No. of students with GFG profile	586
	b. No. of students with Hacker Rank profile	350
	c. No. of students with Leet code profile	586
	d. No. of students participation biweekly contests	27
	e. No. of students solved more than 50 problems	37
	f. No. of students solved more than 30 problems	73
	g. No. of students solved more than 10 problems	226
3	<b>First year AAT</b>	
	EPS Hackathons	-
	<b>Second year AAT</b>	
	WSE Hackathons (4 Sections)	280
4	<b>Total Student Certifications</b>	
	a. JAVA b. Python c. Cloud Technologies d. Penetration Testing e. Deep Learning f. AWS Cloud Foundations / AWS Certified Developer g. Cyber Security and Ethical Hacking	452
5	<b>Student Training</b>	
	a. Competitive coding i. No. of hours engaged	VI Semester: 13 IV Semester: 15
	b. Database management systems i. No. of hours engaged	VI Semester: 02 IV Semester: 07
	b. Java Full Stack Development i. No. of hours engaged	VI Semester: 07 IV Semester: 06
	c. Professional Communication i. No. of hours engaged	VI Semester: 02
6	<b>Faculty skill enhancement programs</b>	Six days FDP on Object Oriented Programming Paradigm with Java
7	<b>RiseSmart projects (3-6 months PAT project)</b>	VI Semester: 06 IV Semester: 03
