Call For Papers

STEMa-ICEAST 2026

The 5th International Conference on Science and Technology of Emerging Materials
The 12th International Conference on Engineering, Applied Sciences and Technology

Theme

Innovate • Integrate • Inspire through Engineering and Applied Sciences

Important Dates

Abstract Submission Deadline (extended)

~~April 3, 2026~~ June 12, 2026

Notification of Abstract Acceptance

April 24, 2026 June 26, 2026

Full paper submission deadline

~~May 15, 2026~~ July 5, 2026

Early Bird Registration Deadline

~~July 31, 2026~~ August 7, 2026

Topics

• STEMa2026

- Advanced Functional Materials
- Biomaterials for Health Science
- Carbon-based Materials
- Computational Materials
- Energy and Environmental Materials
- Material Fabrication, Characterization and Manufacturing
- Nano-Materials and Applications
- Optical and Electronic Materials
- Polymer Materials
- Sensors, sensing Materials and Related Devices
- Special : PCB, Semiconductor, Quantum

• ICEAST2026

- Acoustic and Music Engineering
- Bio-Medical Engineering
- Food, Chemical and Agricultural Engineering
- Industrial Engineering and Manufacturing
- Materials Science and Engineering, Nanotechnology
- Mechanical, Mechatronics and Civil Engineering
- Robotics and AI Engineering
- Telecommunications, Computer Science, Instrumentation and Control, Electrical and Electronic Engineering

Registration Fee

EARLY BIRD REGISTRATION

Regular	8,000 THB
Student	6,000 THB
Attendee	3,000 THB

REGULAR REGISTRATION

Regular	10,000 THB
Student	7,500 THB
Attendee	3,000 THB

Publication Opportunity

- Current Applied Science and Technology (CAST)
- Thai Journal of Nanoscience and Nanotechnology (TJNN)
