Feedback Analysis on Feel Safe and Secure Academic Year 2017-18

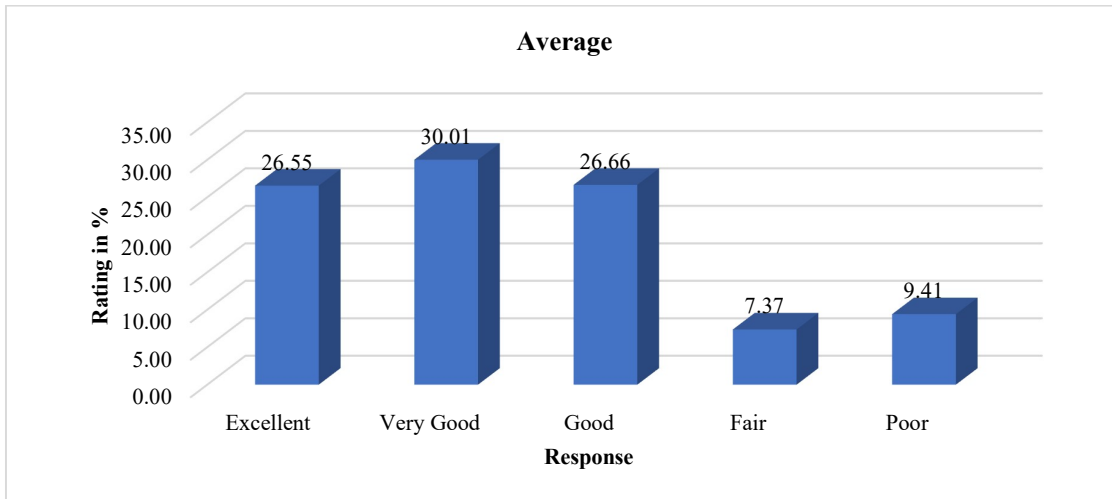

Figure 1

Figure 1 the survey on feel safe and security for the academic year 2019-2020, indicated 84.07% satisfied and 15.93% not satisfied responses. So, the overall response seems to be good. Action will be taken soon to improve on the alleys of the campus, inside parking lots, around campus, inside campus public transportation vehicles, emergency phone lines, conduction of safety seminars, self-defence classes, and safety advice for women and provide with 100% satisfactory facilities on feel safe and security.

On the alleys of the campus

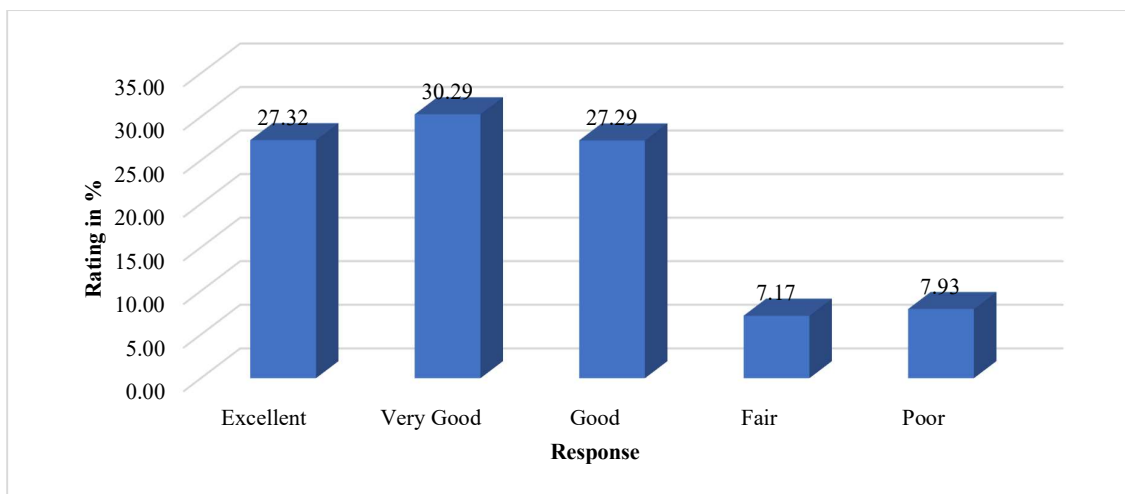

Figure 2

The above figure 2, the survey on the alleys of the campus indicated 84.9% satisfied and 15.10% not satisfied responses. So overall, the response seems to be good.

Inside parking lots

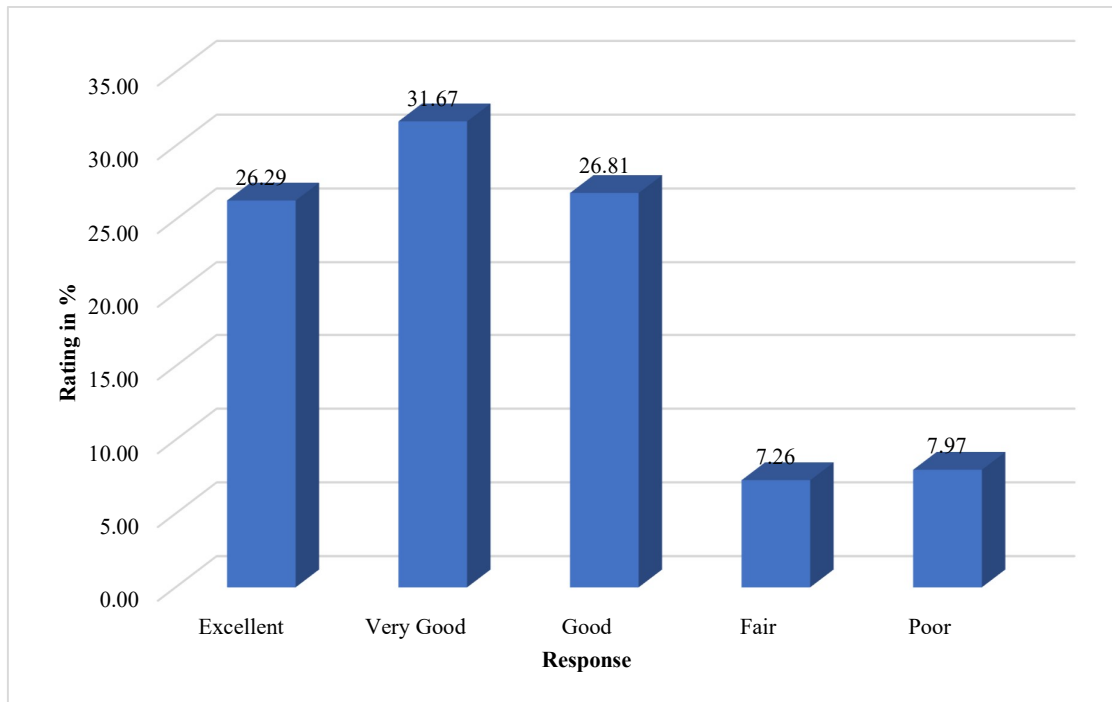

Figure 3

The above figure 3 the survey on inside parking lots indicated 84.77% satisfied and 15.23% not satisfied responses. So overall response seems to be good.

Inside campus buildings

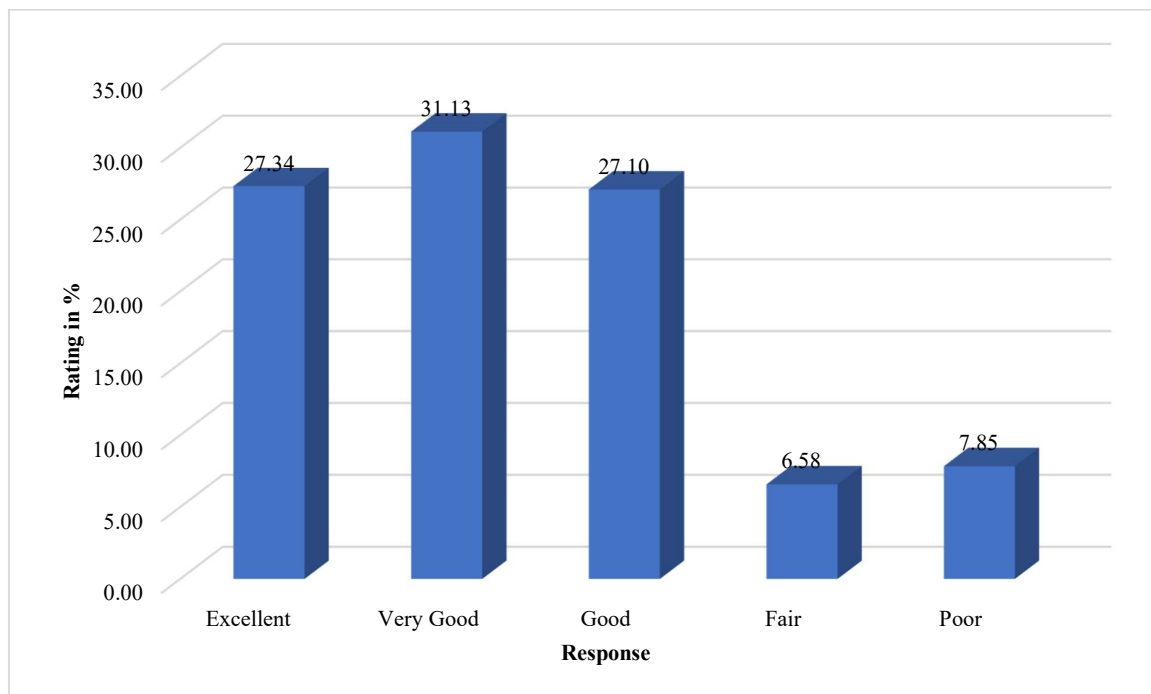

Figure 4

The above figure 4 the survey on inside campus buildings indicated 85.57% satisfied and 14.43% not satisfied responses. So overall response seems to be good.

Around campus

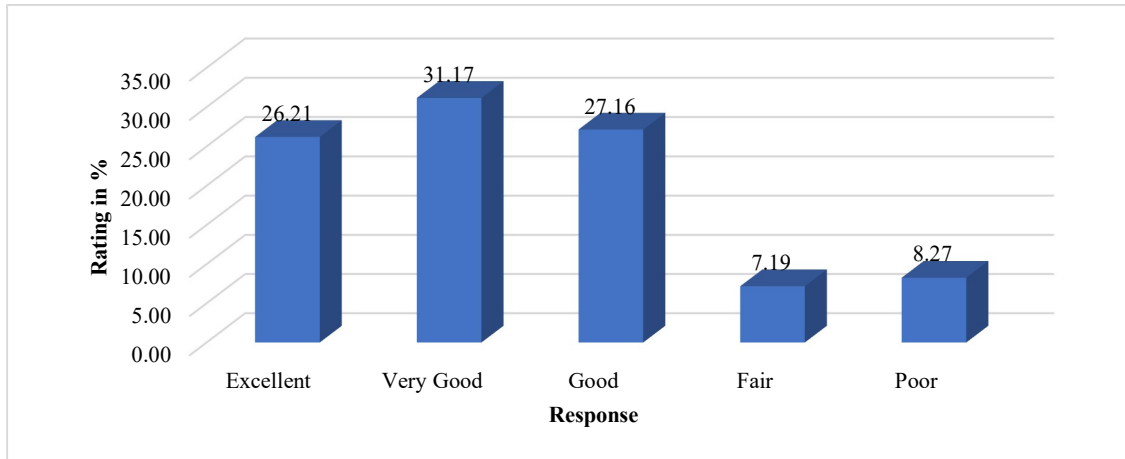

Figure 5

The above figure 5 The survey on around campus indicated 84.54% satisfied and 15.46% not satisfied responses. So overall response seems to be good.

Inside the campus public transportation vehicles

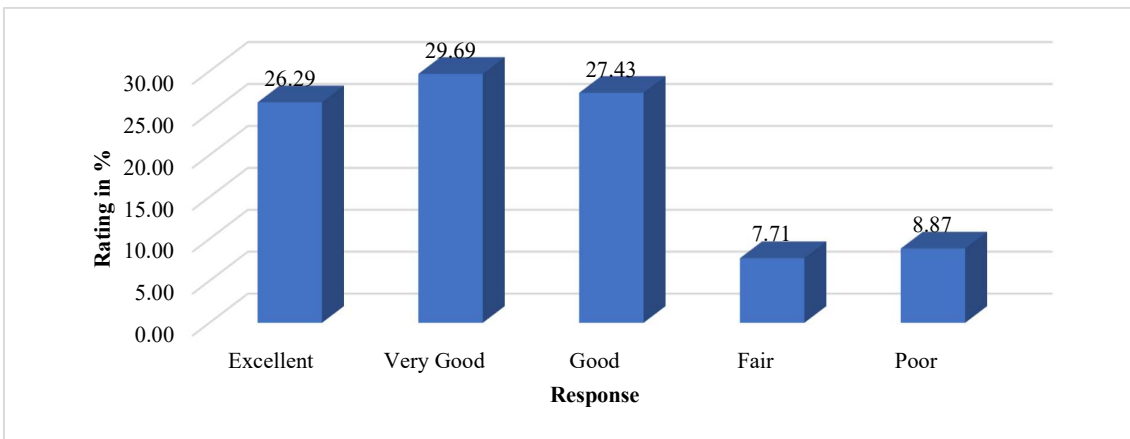

Figure 6

The above figure 6 the survey on inside the campus public transportation vehicles indicated 83.42% satisfied and 16.58% not satisfied responses. So overall response seems to be good.

How safe do you feel inside the campus

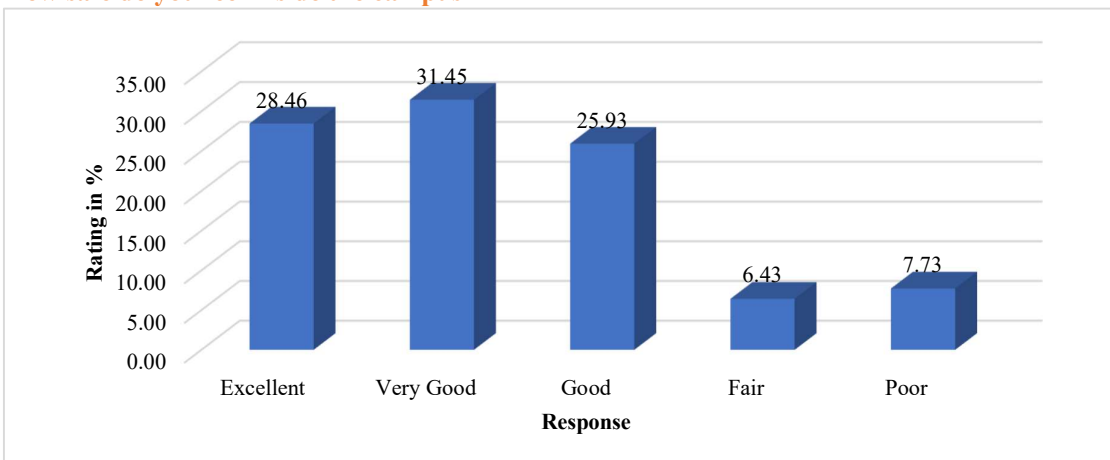

Figure 7

The above Figure 7 the survey on how safe do you feel inside the campus indicated 85.84% satisfied and 14.16% not satisfied responses. So overall response seems to be good.

Availability of Security cameras

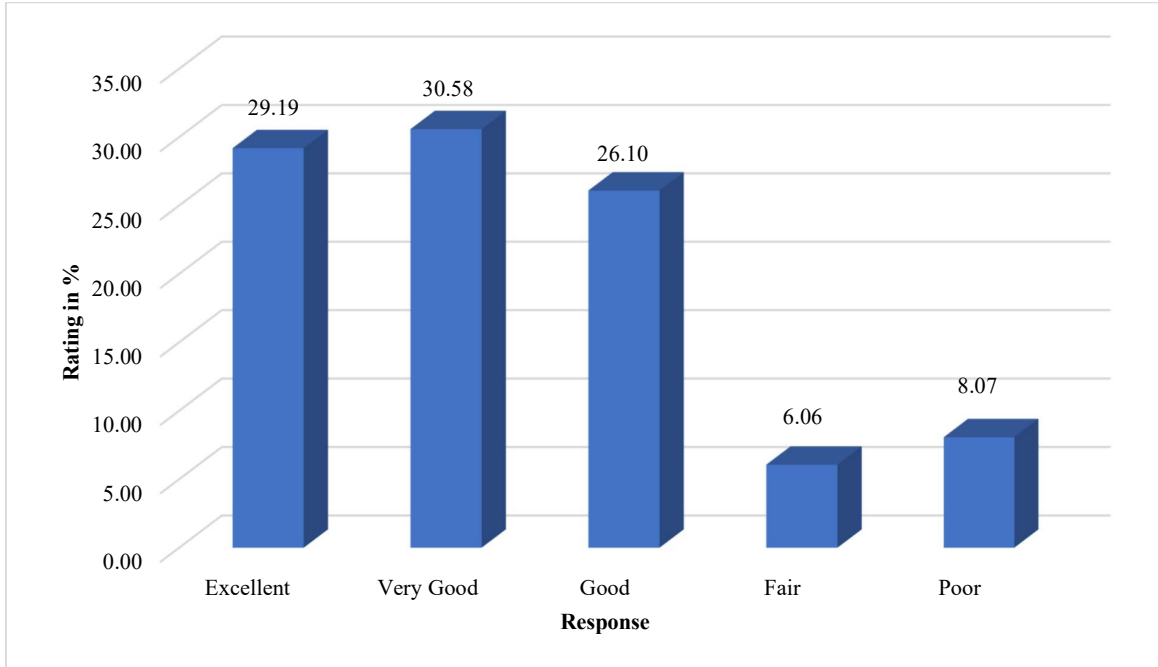

Figure 8

The above Figure 8 The survey on the availability of security cameras indicated 85.87% satisfied and 14.13% not satisfied responses. So overall response seems to be good.

Security guards

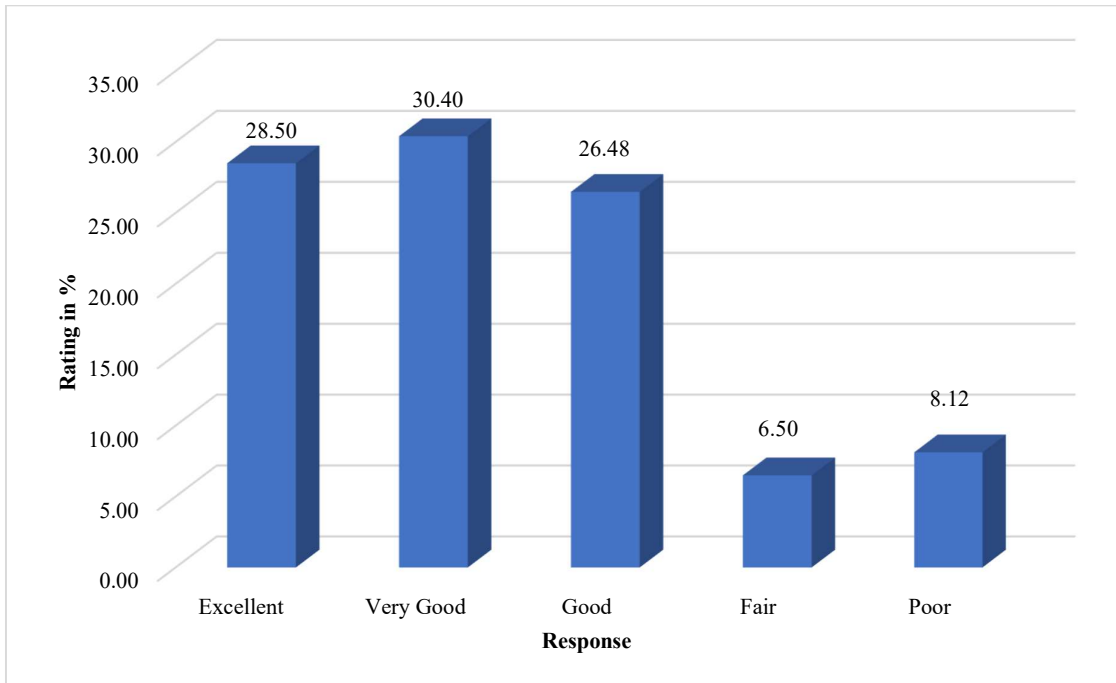

Figure 9

The above Figure 9 the survey on the security guards indicated 85.38% satisfied and 14.62% not satisfied responses. So overall response seems to be good.

Emergency phone lines

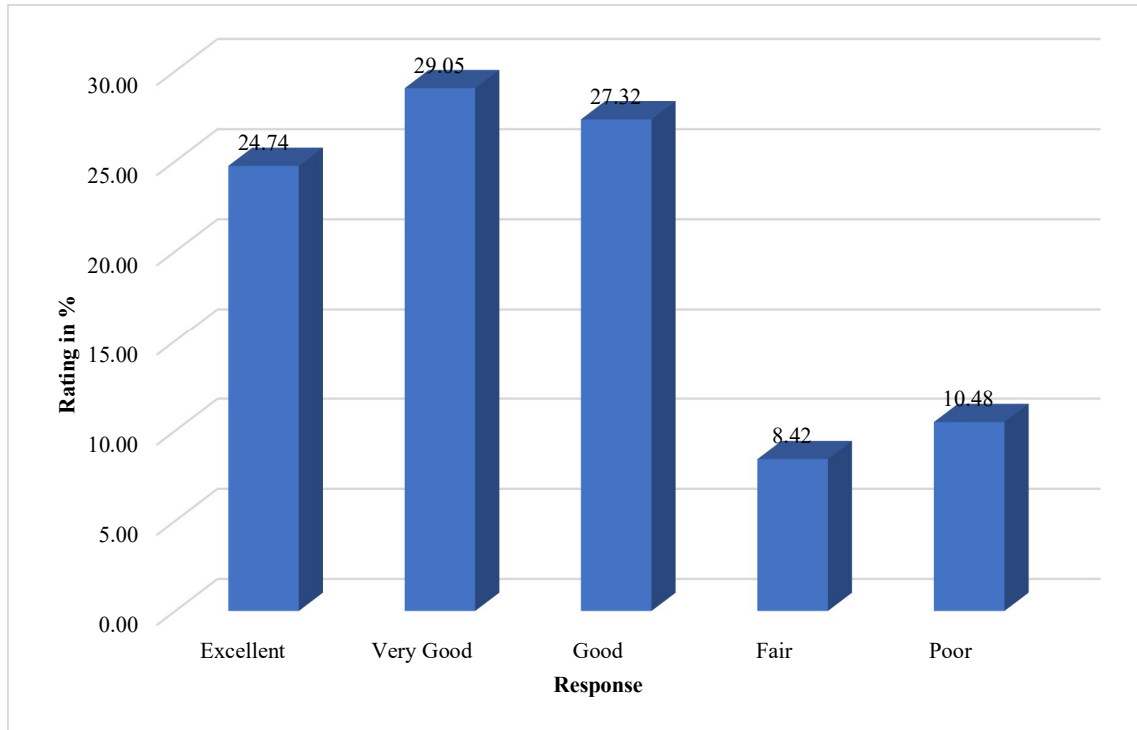

Figure 10

The above Figure 10 the survey on emergency phone lines indicated 81.10% satisfied and 18.90% not satisfied responses. Action will be taken soon to improve the emergency phone lines.

Conduction of Safety seminars

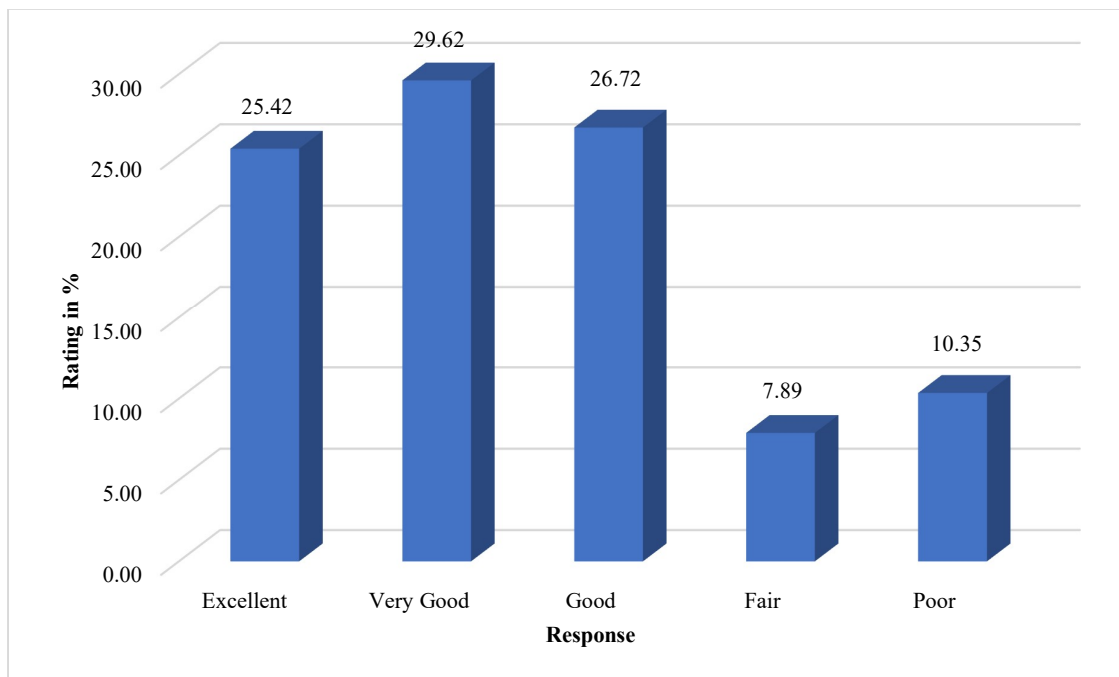

Figure 11

The above figure 11 the survey on conduction of safety seminars indicated 81.76% satisfied and 18.24% not satisfied responses. Action will be taken to improve the conduction of safety seminars.

Self-defence classes

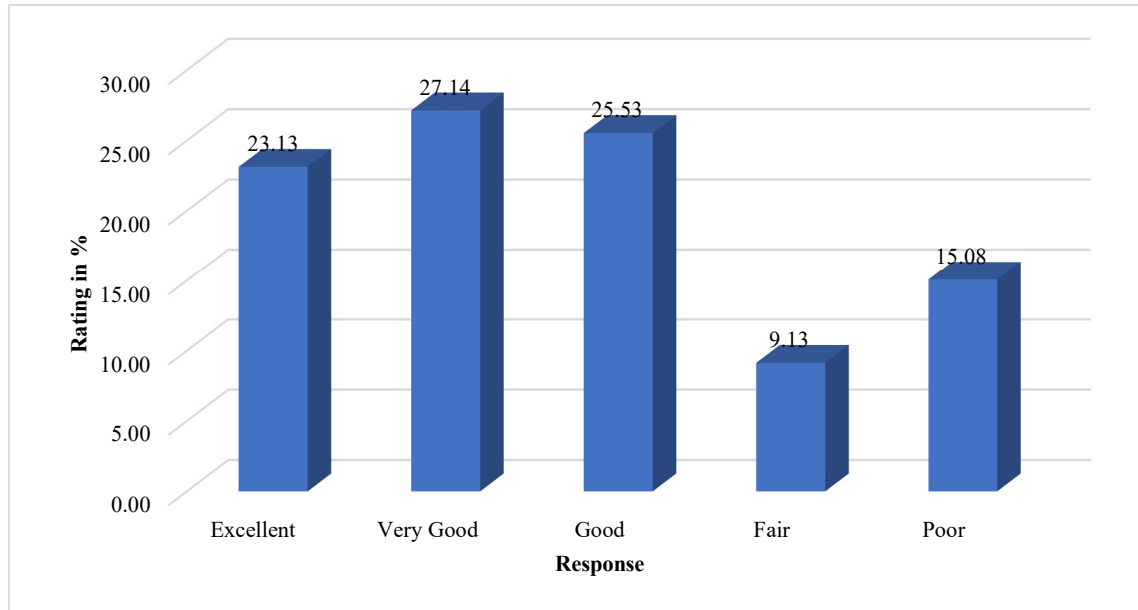

Figure 12

The above figure 12 the survey on self-defence classes indicated 75.79% satisfied and 24.21% not satisfied responses. Action will be taken to improve the self-defence classes.

Safety Advice for Women

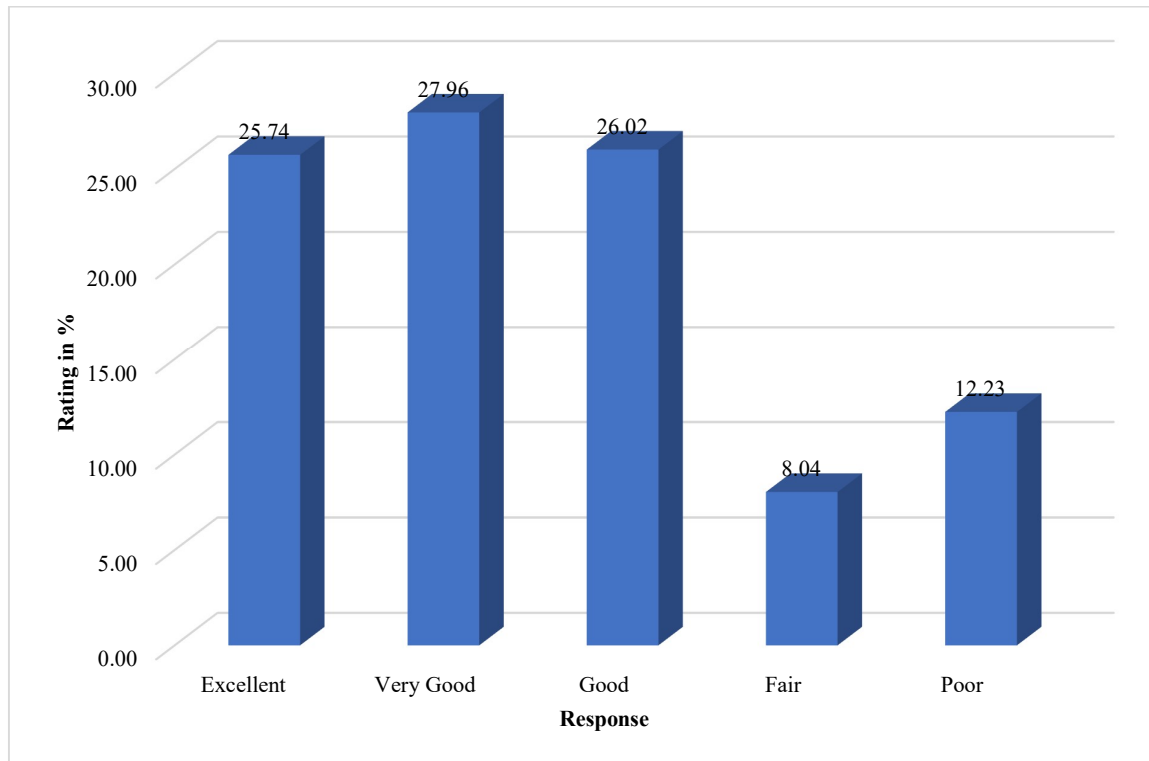

Figure 13

The above figure 13 the survey on safety advice for women indicated 79.73% satisfied and 20.27% not satisfied responses. Action will be taken to improve the safety advice for women.
