

INSTITUTE OF AERONAUTICAL ENGINEERING

(Autonomous)

DUNDIGAL – 500 043, HYDERABAD

CIRCULAR

12 May, 2021

The college has earlier released a circular for the payment of fees for the academic year 2021- 22 dated 25 April, 2021.

Owing to the representations received to ease out the fees payment on account of the ongoing pandemic, the college Management has now allowed the fees to be paid in two equal installments for those who wish to avail the facility in addition to the existing option of paying the sum as a whole.

The deadline for the first installment is 10 August, 2021 and that of the second installment is 10 December, 2021.

A service charge of Rs.1250 will be levied on the fees each time when it is collected in installments.

The option to pay the fees in installments will be enabled in the payment portal of the institute upon receiving written request to the Principal from 20 May, 2021.

Those students who do not pay the tuition fees before the deadline dates will be excluded from the nominal roll and they have to pay re-registration fees in addition to the tuition fees for inclusion in the same, so that they can gain access to attend classes and write the examinations.
