INSTITUTE OF AERONAUTICAL ENGINEERING
(Autonomous)
Dundigal, Hyderabad - 500 043, Telangana

APPLICATIONS ARE INVITED FOR THE POST OF A JUNIOR RESEARCH FELLOW (JRF) TO WORK IN DST-SERB FUNDED RESEARCH PROJECT

Name of the Project	:	**Effective Social Intelligent System for Big Data Sentiment Analysis**
Fellowship	:	Rs.25,000/- per month
Duration of the fellowship	:	Three Years
Eligibility	:	• First class M.Tech. degree in Computer Science and Engineering • Those who have qualified in GATE/UGC-NET will be given preference.
Conditions for the appointment	:	The position is purely temporary and co-terminus with the project. The JRF employed in the project would have no claim to a permanent employment with Institute of Aeronautical Engineering.
Procedure for application	:	Please send your application containing the details of educational qualifications, experience, full contact and permanent addresses, e-mail id, contact numbers and any other relevant information to support your application (preferably by **e-mail**) to reach to the undersigned (Principal Investigator) **on or before 15th April 2017**. The applicants should be prepared to come for an interview, if called. No TA/DA will be provided for the interview. All communications will be through e-mail only.

Dr. K Rajendra Prasad
