ABOUT THE INSTITUTE

Institute of Aeronautical Engineering (IARE) was established in the year 2000 with a mission 'Education for Liberation'. Started with aircraft maintenance engineering in the year 1994, it has gradually transformed itself into a premier integrated interdisciplinary technological institute offering UG and PG programmes in CSE, IT, ECE, EEE, AERO, MECH and CE and MBA.

IARE is a prestigious **Autonomous** institute approved by AICTE, New Delhi; recognized by Govt. of Telangana; permanently affiliated to Jawaharlal Nehru Technological University Hyderabad (JNTUH); and accredited by National Assessment and Accreditation Council (NAAC) with 'A' Grade.

The institute is ranked **139** in Engineering category as per **National Institutional Ranking Framework (NIRF)** – 2019, Ministry of Human Resource Development (MHRD), Govt. of India. From rank band 151-200 in 2017, IARE has risen to the rank of 139th best engineering institution in India. This illustrates positive performance and quality standards we maintain in teaching, research, employability, and innovation. It is the most preferred institute with 100% admissions in the state of Telangana.

ABOUT THE WORKSHOP

Building a team and working with it effectively and harmoniously is quite a daunting task. Anyone can get the requisite number of team members (for a football team, for example) but Anyone can get the requisite number of team members (for a football team, for example) but it is another matter to develop it into a cohesive group wherein all the members perform in group wherein all the members perform in sync with each other.
